These lands have been drained at great expense, under the direction of competent Engineers, and laid off into Sections. The drainage has been effected by two main Canals, to-wit : Pungo Canal, extending from Pungo Lake to Pungo river, six and a half miles in length, with an average width at bottom of 22 feet, depth six feet and fall twelve feet-and Alligator Caual, from Alligator Lake to Pungo river, 6 miles long, with an average width at bottom of 30 feet, depth seven, and fall ten feet; together with sundry tributaries or lateral ditches. BRANDRETH'S PILLS THE BEST FAMILY MEDICINE.

Ladies should use the Brandreth Pills frequently They will ensure them from severe sickness of the s omach, and generally speaking, entirely prevent it. The Brandreth Pills are harmless. They increase

tiveness so often prevalent at this interesting period, the Brandreth Pills are a safe and effectual remedy. There is no medicine so safe as this-it is more easy than castor oil, and is now generally used by numerous ladies through their confinement. Dr. Brandreth can refer to many of our first physicians who recommend his Pills to their patients to the exclusion of all other purgatives, and the Pills being slow. composed entirely of Herbs, or Vegetable matter. purify the blood, and carry off the corrupt humors of

To what does experience direct? To he FREE USE OF DR. BRANDRETH'S PILLS in all cases of hodily suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief In all acute diseases, let Brandreth's Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints, let the pills be used as often as convenient, by which means the vitality of the blood will be improved, and the crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a new days confinement to the house, will change the chronical

v diseased individual to a sound man. This is no figure of the imagination; it can be proved by a thousand matter of fact men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough; whether it be sles : whether it be scarlet fever or small pox : that
