The Wife's Friend. IMPORTANT to those about to become Mothers. PROFESSOR ALEXIS V. PAULANT, of the Paris Lying-in Hospital, member of the Medical Academy of France, Corresponding Secretary of the Paris Pharmaceutical College, and recently departed to announce to the Ladies of America, that he has appointed Dr. Jerome Y. C. Roperbury, of New York, his sole American Agent, for the sale of his wonderful medicine, known in France as the Wife's Friend, or Mother's Assistant, the most extraordinary medical discovery the world has ever seen. It is intended to be used in the case of child-birth, and promotes a safe, easy, and speedy delivery, which it does by assisting nature. It is perfectly harmless, efficacious, pleasant to the taste, and never fails to promote an easy and safe delivery, and improves the general health of both mother and child. It has been tested for years in all the principal Lying-in Hospitals of Europe, and receives the sanction of nearly all the prominent Colleges and Medical men of the old world. It is the greatest medicine in the world; as will admit that a medicine must be that will lessen the terrible pains usually attendant on child-birth. There is no mistake about this medicinal failing. It is in the form of a fine, light powder, to be made into a drink, and used for a few weeks previous to the expected event, and its price is so low as to bring it within the reach of all. Surely no humane husband will suffer his wife to endure pain, when it can be so easily and cheaply avoided. For the small sum of only \$1.00, sent post paid to Dr. Jerome Y. C. Roperbury, New York Post Office, a package will be sent by return mail, it being so light that it can be sent anywhere by mail at a very trifling cost. No unpaid letters taken from the office. To prevent imposition, the U. S. Agent, Dr. Roperbury will write his name in full on the outside label of each package. No other genuine. Remember this. New York, Feb. 28th, 1849.

SANDS' SARSAPARILLA. IN QUART BOTTLES. For Purifying the Blood. AND FOR THE CURE OF SCROFULA, RHEUMATISM, GOUT, BRUISES, ULCERS, DYSPEPSIA, FEVERS, AND ALL THE AFFECTIONS OF THE LIVER, BILIOUS COMPLAINTS, BRONCHITIS, CONSUMPTION, PLEURAL COMPLAINTS, LOSS OF APPETITE, DEBILITY, &c. The Proprietors have spent much time in bringing this preparation of SARSAPARILLA to its present state of perfection; and the experience of fourteen years has furnished them the most ample opportunity to study, in their various forms, the diseases for which it is recommended, and to adapt it exactly to their relief and cure. Patients who with REALLY GOOD MEDICINE are invited to give it a trial, and satisfy themselves of its superiority, and the invaluable property it possesses of arresting and curing disease. The basis has been selected to hold ONE QUART, and in its present improved form safety claims to be the best and most effectual Medicine of the age. Its progress to the fame it has attained may be traced by a long line of facts and cures, that stand as landmarks and beacons for the invalid, pointing the way to the haven of health. The following is from Col. S. G. Taylor, a gentleman of high standing and extensive acquaintance in the Southern States, and lately appointed Consul to New Granada. New York, January 7, 1848. MESSRS. SANDS—Gentlemen—Having used, and witnessed the effects of your excellent preparation of SARSAPARILLA on different persons in various parts of the Southern country, viz., Virginia, Louisiana, Texas, and Mexico, I feel much pleasure in stating the high opinion entertained of its great medicinal value. In my own case it acted almost like a charm, removing speedily the unsound state of my system, and exciting, in the most agreeable manner, a tonic and invigorating influence. I had been in the habit of using it, and recommends the same; he and myself adopted the article at the same time, and it is now considered an almost indispensable requisite in the most acute cases of this nature, and I would say that the better the more highly it will be prized, and I trust that its health-restoring virtues will make it generally known throughout the length and breadth of our widely-extended country. Yours very respectfully, U. S. Consul to New Granada. MESSRS. SANDS—Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your SARSAPARILLA in the case of my wife. She was severely afflicted with the Scrofula on the 15th of August, 1847, and the neck was greatly enlarged, and her limbs much swollen. After suffering over a year, and finding no relief from the various medical systems, she at length was below the knee supported. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation she heard of, and was induced to use your SARSAPARILLA. She commenced its use on the 15th of October, and in a few days she was enabled to rise, and in a few days she was enabled to walk, and before she had used six bottles, to the astonishment and delight of her friends, she found her health and spirits restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and thank God, SARSAPARILLA is a great blessing to the age. Yours with respect, JULIUS FIK. Extract from a letter received from Mr. N. W. Harris, a gentleman well known in Louisiana. I have cured a negro boy of mine with your SARSAPARILLA, who was attacked with Scrofula, and of a scrofulous family. Yours truly, N. W. HARRIS. The following testimony from Rev. John Grigg, late Rector of the Church of the Crucifixion in this city, commends itself to the attention of the afflicted. Numerous certificates of cures of various diseases effected by this medicine are almost daily received. MESSRS. SANDS—A member of my family has taken your valuable SARSAPARILLA for a severe scrofulous affection, &c. with the most beneficial effect resulting from its use. It gives me very great pleasure to record my testimony in behalf of its virtue and efficacy, hoping that others may be induced to make a trial of it. JOHN GRIGG. MESSRS. SANDS—Gentlemen—Feelings of gratitude induce me to make a public acknowledgment of the cure effected by your SARSAPARILLA. I have for several years been afflicted with scrofulous swellings in my head, which for several years gathered and discharged at my throat, nose, and ears, and as others would break out in different parts of my face, and head, and as my throat was so much affected, my head was almost completely sore, and for a long time I was so sore that it was with the utmost difficulty that I could speak above a whisper. During this time I had several attacks of pleurisy and other diseases, and consulted different physicians, and tried various remedies, but received no benefit until I commenced using your SARSAPARILLA. The sores are all healed, and I attribute the result entirely to the effects of your valuable medicine. Yours, with respect and gratitude, PHEBE CAHOON. Being personally acquainted with the person whose name I believe her statement to be correct. PREPARED AND SOLD, WHOLESALE AND RETAIL, BY A. B. & D.
