VALUABLE PRINTING ESTABLISHMENT FOR SALE!
WILL be sold, by public auction, at the Register Office, in the City of Raleigh, on Monday the second day of July, the establishment of the Raleigh Register, belonging to the estate of the late Weston R. Gales; including two Printing Presses, extensive lots of Newspaper, Book and Job type, all the necessary furniture and fixtures pertaining to the office, and its subscription.
This is perhaps one of the most desirable printing establishments in the South, and offers the highest inducement to purchasers. The Register was established in 1799, by the Father of the late Editor and the grandfather of the present Editor, and under his auspices attained a pre-eminence which it has steadily maintained until this day. It has therefore quite a large circulation, and an extensive Advertising and Job patronage. The Establishment has been a long identified with the State and its institutions, that by proper management, its patronage may not only be retained, but increased.
Terms of sale—Credit of one, two and three years with bond and ample approved security.

Dr. A. F. Cooper's Spino-Abdominal Supporters.
THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof. Morr thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.
"They need no puffing as they speak for themselves."

Mutual Life Insurance Co.
In Distress we Succor!
A COMPANY with the above title, having been Chartered at the last session of the Legislature of this State; and the provision required in said Charter (viz. Application for Insurance for \$50,000,) having been fully met,—the Company has been organized by the appointment of the following officers, and is issuing Policies, viz:
DR. CHAS. E. JOHNSON, President.
DR. CHAS. D. HAYWOOD, Vice President.
WILLIAM F. JORDAN, Secretary.
JAMES H. JONES, Treasurer.
DR. WILLIAM H. MCKEE, Medical Examiner.
DR. HENRY W. MILLER, Attorney.
DR. CHAS. E. JOHNSON, } Medical Board
DR. W. H. MCKEE, } of Consultation.
DR. RICHARD HAYWOOD, }
J. HERMAN, General Agent.
This Company has received the most liberal charter that has ever been granted to any Company of a similar character, in any State in the Union. The 5th Section of the Act of Incorporation provides "that the husband may insure his own life, for the sole use and benefit of his wife or children, and, in case of the death of the husband, the amount thus subscribed shall be paid over to the wife or children, or their guardian, if under age, for her or their own use, free from all the claims of the representative of the husband, or any of his creditors." This provision is a most liberal one, and is not to be compared to the great good they do in removing the cause of disease out of the system.
They are extensively used in every section of this wide extended country where they are made known, and are fast superseding every other preparation of professed similar import. Upwards of forty thousand cases have been certified as cured solely from their use in the last twenty years, thus establishing the fact beyond all doubt, that the Brandreth Pills cure the (apparently) most opposite diseases, by continually evacuating the bowels with them until the disease gives way. Therefore, whatever may be said of the theory, the utility of the practice is now beyond all doubt.
THE BRANDRETH PILLS are composed wholly of medicinal herbs, and do not contain any mineral or chemical substance; are perfectly harmless to the most tender age, or weakest frame; and nevertheless serve to search out the cause of the sickness and produce a cure, whatever may be its character, when taken in time, and in quantities sufficient.
Patients cannot be too often reminded that in all obstinate cases, larger doses and perseverance will finally effect a cure—before this medicine of healing powers was used.
N. B. Purchasers of Wm. Peck & Son, my agents in Raleigh, if you would be sure of getting the Genuine Brandreth Pills.

Dr. Benjamin Brandreth's Vegetable Uterine Pills, are the longest known, have been the most considered, and are the best understood of all the medicines of the day.
Their action harmonizes with the condition of the body. They are seldom felt after they are swallowed, until they produce their known effect. But should there be crude matters in the circulation, or any undigested food in the bowels, or putrid acid bile in the region of the heart or liver, or any part of the viscera, then the Pills of Dr. Brandreth may occasion some slight inconvenience, but nothing in comparison to the great good they do in removing the cause of disease out of the system.
They are extensively used in every section of this wide extended country where they are made known, and are fast superseding every other preparation of professed similar import. Upwards of forty thousand cases have been certified as cured solely from their use in the last twenty years, thus establishing the fact beyond all doubt, that the Brandreth Pills cure the (apparently) most opposite diseases, by continually evacuating the bowels with them until the disease gives way.
