To Revolutionary Claimants.
FOR several years past, many inquiries and searches have been made, and without success, for the official proofs of the grades and services of the Officers in the North Carolina line, in the War of the Revolution; and for the want of such proofs, the claimants for those services have been unable to establish and obtain pay for the same.
This is to inform those interested, that the subscriber has turned his attention to a laborious examination of thousands of old papers and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the Records in question, where they had been misplaced and supposed to be lost—showing the official proof of the grades of thousands of such officers; such as Colonels, Lieutenant-Colonels, Captains, Lieutenants and Ensigns.
And the Subscriber will promptly attend to letters to him addressed, postage paid, calling for such proof; and will forward official certificates in due form of law, of the grades of such officers, on reasonable terms.

VALUABLE PRINTING ESTABLISHMENT FOR SALE!
WILL be sold, by public auction, at the Registry Office, in the City of Raleigh, on Monday, the 27th day of July, the establishment of the Raleigh Register, belonging to the estate of the late Weston R. Gates; including two Printing Presses, extensive funds of Newspaper, Book and Job type, all the necessary furniture and fixtures pertaining to the office, and its subscription.
This is perhaps one of the most desirable printing establishments in the South, and offers the highest inducement to purchasers. The Register was established in 1799, by the Father of the late Editor and the Grandfather of the present Editor, and under his auspices attained a support, which it has steadily maintained until this day. It has therefore quite a large circulation, and an extensive Advertising and Job patronage. The Establishment has been so long identified with the State and its institutions, that, by proper management, its patronage may not only be retained, but increased.
Terms of sale—Credit of one, two and three years, with bond and ample approved security.

Dr. A. F. Cooper's Spino-Abdominal Supporters.
THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof. Morr thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.
"They need no puffing as they speak for themselves."

The above Supporter is an improvement on Dr. E. CRAINE'S celebrated Spino-Abdominal Supporter. Jan. 12, 1848. (Standard.) 4
