portion.

OR several years past, many inquiries and searches have been made, and without success, for the official proofs of the grades and services of the Officers in the North Carolina line, in the War of the Revolution : and for the want of such proofs, the claimants for those services have been unable to establish and obtain pay for the same.

This is to inform those interested, that the subscriber has turned his attention to a laborious ex amination of thousands of old papers and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the Records in question, where they had been misplaced and supposed to be lostshewing the official proof of the grades of thousands of such officers ; such as Colonels, Lieutenant-Colonels Captains, Lieutenants and Easigns.

And the Subscriber will promptly attend to letters to him addressed, postage paid, calling for such proof; and will forward official certificates in due form of law, of the grades of such officers, on reasonable terms. J. H. KIRKHAM. Raleigh N. C., June 10th, 1849. 48 tf.

of the State of North Carolina.

WHEREAS, it has been made appear to me, that THOMAS WATSON stands charged by the Coroner's Inquest in the County of Richmond, with the murder of Hugh Brown, and that the said Watson has made his escape :

Now, to the end that the said Thomas Watson may be brought to trial for said offence, I do hereby issue this my proclamation, offering a Reward of \$200 for the apprehension and delivery of the said Thomas Watson, to the Sheriff of the said County of Richmond, or for his arrest and confinement in any Jail within this State.

Given under my hand and the great Seal of the State of North Carolina, at the Executive Department, in the City of Raleigh, this 28th day of July, A. D. 1849.

CHARLES MANLY. By the Governor,

y the Governor, LANGDON C. MANLY, Private Secretary. 61 4t July 30th, 1849. DESCRIPTION.

Said Watson is about thirty or thirty five years of age, about five feet ten inches high, very slender built, a little stooped forward when walking or]riding, light saudy colored hair, red beard, a rather down look, not apt to look you in the face when in conversation, and frequent snapping or winking of the eyes, his voice rather small, and somewhat attended with a whining tone. He has scars of sores on his legs and ancles and shin bones. He has a scar on one of his arms near the shoulder, occasioned by the stab of a

The 5th Section of the Act of Incorporation pro vides "that the husband may insure his own life, for the sole use and benefit of his wife or children, and, in case of the death of the husband, the amount thus subscribed shall be paid over to the wife or children, or their guardian, if under age, for her or their own use, free from all the claims of the rep-

resentatives of the husband, or any of his creditors." This provision needs no comment. The Board have also determined to insure the

lives of slaves,-and this being almost half the wealth of the people of this State, a large business is reasonably anticipated. Any information respecting the principles of the Company will be furnished by the Secretary, or any

of its officers. JAS. F. JORDAN, Secretory. Raleigh, April 9, 1849.
