To Revolutionary Claimants.

For several years past, many inquiries and searches have been made, and without success, for the official proofs of the grades and services of the Officers in the North Carolina line, in the War of the Revolution; and for the want of such proofs, the claimants for those services have been unable to establish and obtain pay for the same.
This is to inform those interested, that the subscriber has turned his attention to a laborious examination of the records of old papers and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the records in question, where they had been misplaced and supposed to be lost—showing the official proof of the grades of thousands of such officers; such as Colonels, Lieutenant-Colonels, Captains, Lieutenants and Ensigns.
And the subscriber will promptly attend to letters to him addressed, postage paid, calling for such proofs, and will forward official certificates in due form of law, of the grades of such officers, on reasonable terms. **J. H. KIRKHAM, Agent.**

Dr. A. F. Cooper's Spino-Abdominal Supporters.

THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or protruding Uteri.

Prof. Moore thinks they are very well adapted for some varieties of inelegant spinal distortions, they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.

The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.

A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.

This Company has received the most liberal charter that has ever been granted to any Company of a similar character, in any State in the Union.

The 5th Section of the Act of Incorporation provides "that the husband may insure his own life, for the sole use and benefit of his wife or children, and in case of the death of the husband, the amount thus subscribed shall be paid over to the wife or children, or their guardian, if under age, for her or their own use, free from all the claims of the representatives of the husband, or any of his creditors." This provision needs no comment.

The Board have also determined to insure the lives of slaves,—and this being almost half the wealth of the people of this State, a large business is reasonably to be expected.

Any information respecting the principles of the Company will be furnished by the Secretary, or any of its officers.
