To Revolutionary Claimants.

FOR several years past, many inquiries and searches have been made, and without success, for the official proofs of the grades and services of the Officers in the North Carolina line, in the War of the Revolution; and for the want of such proofs, the claimants for those services have been unable to establish and obtain pay for the same.
This is to inform those interested, that the subscriber has turned his attention to a laborious examination of thousands of old papers, and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the Records in question, where they had been misplaced and supposed to be lost—showing the official proof of the grades of thousands of such officers; such as Colonels, Lieutenant-Colonels, Captains, Lieutenants and Sergeants.
And the subscriber will promptly attend to letters to him addressed, postage paid, calling for such proof; and will forward official certificates in due form of law, of the grades of such officers, on reasonable terms.

Dr. A. F. Coopers Spino-Abdominal Supporters.

THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons afflicted with muscular debility, Round shoulders, or protruding Uteri.
Prof. Mory thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above for fifty each.
"They need no puffing as they speak for themselves."

Ague, Bilious, Typhus and all Fevers—Dysentery and Diarrhea.

In the commencement, it is of absolute importance, in view of a speedy cure, that a full dose of pills be taken at once, because the humors which produce disease of this class, are always of the most malignant, poisonous quality and no safety to life arises until any portion remains in the bowels or the blood. Should the first dose not cure, be not alarmed, but reiterate that dose. Should the evacuations be very putrid, of bad odor, unnatural color, &c. &c., besides using four or six pills twice a day, take also, a teaspoonful of powdered charcoal, in water, every day, while these symptoms continue. Let your diet be light, and of easy digestion, as arrow root, rice pudding, Indian meal, &c. also, sheep's head broth with rice and a piece of cinnamon boiled in it, or calf's head broth sheep's head makes the best diet if it be boiled until the bones are clean. As a rule, the first dose of pills cures when timely used. Sometimes three or four doses may be necessary. There are cases in which it takes weeks to cure; but they do not occur once in a thousand times. In any event, no medicine or plan of treatment is better than that above recommended, or will sooner cure. So soon as the irritating matters are removed, so soon you will be well, and not before. Anodynes and astringents have a deleterious effect; because they occasion the retention of that death principle which alone causes dysentery, diarrhea, cholera, and all other diseases, according to its excess over the principle of life. But Brandreth's Pills are opposed to this as water is to fire, or as heat is to cold; and when they are taken into a man, they go to work boldly to drive this death principle from the body, and all they can do—but they will be worth fifty times the value of any other medicine expected to do the work of fifty. And this truth should always be kept in mind.
Let not the patients frighten themselves with the idea that they are too weak to bear much purging; but bear in mind that the mild operating Pills of Dr. Brandreth put not weakness into the frame, but draws weakness out, leaving strength in its place, and gives composing sleep at night, and an appetite to relish any food.
THE BRANDRETH PILLS
Are composed wholly of medicinal herbs, and do not contain any mineral or chemical substance; are perfectly harmless to the most tender age or weakest frame, and nevertheless serve to stretch out the cause of the sickness and produce a CURE, whatever may be its character, when taken in time, and in quantities sufficient.
The Brandreth Pills are sold at 25 cents per box, by WILL. PECK & SON, Raleigh, and by one agent in every town in the United States, and in almost every city throughout the world. Let all be careful where they buy or they will obtain a counterfeit. Buy only of men whose characters you know to be above so mean an action as to sell a false for the true Brandreth's Pills. Observe the six signatures of Dr. Brandreth on each box.

MANAGERS OF LOTTERIES.
The same brilliant success which has heretofore attended D. Paine's Lotteries, is still continued, and the Old Established Managers of D. Paine & Co. continue in the lead of all others. We wish to be borne in mind that they have sent more large prizes to this City in the last 2 years, than all other managements have sent in the last 6—the whole of \$36,000, sold and paid by Purcell will amount to more than any 10 prizes sold by all others in the last 3 years. They have sent, in addition, within a few months past, the Grand Capitals of \$20,000, 25,000, 22,000, 20,000, 5 of 10,000, and many other smaller ones.
All orders will meet prompt attention if directed to them or
