To Revolutionary Claimants.

OR several years past, many inquiries and searches have been made, and without success, for the official proofs of the grades and services of the Officers in the North Carolina line, in the War of the Revolution : and for the want of such proofs, the claimants for those services have been unable to establish and obtain pay for the same. This is to inform those interested, that the sub-

scriber has turned his attention to a laborious examination of thousands of old papers and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the Records in question, where they had been misplaced and supposed to be lost—showing the official proof of the grades of thousands of such officers; such as Colonels, Lieutenant-Colonels Captains, Lieutenants and Ensigns. And the Subscriber will promptly attend to

letters to him addressed, postage paid, calling for such proof; and will forward official certificates in due orm of law, of the grades of such officers, on reason-J. H. KIRKHAM. Raleigh N. C., June 10th, 1849.

A to hand at the Drug Store, of WILLIAMS, HAYWOOD & Co. July 30th, 1849. Ague, Bilious, Typhus and all Fe-

vers-Dysentery and Diarrhea. In the commencement, it is of absolute importance, view of a speedy cure, that a full dose of pills be taken at once, because the humors which produce disease of this class, are always of the most malignant, oisonous quality, and no salery to life axists any portion remains in the bowels or the blood-Should the first dose not cure, be not alarmed, but reiterate that dose. Should the evacuations be very putrid, of bad odor, unnatural color, &c. &c , besides using four or six pills twice a day, take also, a teaspoonful of powdered charcoal, in water, every day, while these symptoms continue. Let your diet be light, and of easy digestion, as arrow root, rice pudding, Indian meal gruel; also, sheep's head broth with rice and a piece of cinnamon boiled in it, or calves head broth. Sheep's head makes the best diet if it be boiled until the bones are clean. As a rule, the first dose of pills cures when timely used. Sometimes three of four doses may be necessary. There are cases in which it takes weeks to cure; but they do not occur once in a thousand times. In any event. no medicine or plan of treatment is better than that above recommended, or will sooner cure. So soon as the irritating matters are removed, so soon you will be well, and not before. Anodynes and astringents have a deleterious effect; because they occasion the retention of that death principle which alone causes dysentery, diarrhæa, cholera, and all other diseases, according to its excess over the principle of life. But Brandreth's Pills are opposed to this as water is to fire, or as heat is to cold; and when they are taken into a man, they go to work boldly to drive this death principle from the body, and all they can do—but if there be work for fifty closes, one dose must not be drawing daily, (price of Tickets from \$1 to \$20,) expected to do the work of fifty. And this truth under our management; address us, or C. W. PURCELL.

Let not the patients frighten themselves with the idea that they are too weak to bear much purging; but bear in mind that these mildly operating Pills of Dr. Brandreth put not weakness into the frame. but draws weakness out, leaving strength in its place, and gives composing sleep at night, and an appetite

to relish any food. THE BRANDRETH PILLS
