## HOUSE'S VEGETABLE PILLS.

#### Ague, Bilious, Typhus and all Fevers-Dysentery and Diarrhga. In the commencement, it is of absolute importance,

poisonous quality, and no safery to life axists while any portion remains in the bowels or the blood-Should the first dose not cure, be not alarmed, but reiterate that dose. Should the evacuations be very putrid, of bad odor, unnatural color, &c. &c , besides using four or six pills twice a day, take also, a teaspoonful of powdered charcoal, in water, every day, while these symptoms continue. Let your diet be light, and of easy digestion, as arrow root, rice pudding, Indian meal gruel; also, sheep's head broth with rice and a piece of cinnamon boiled in it, or calves head broth. Sheep's head makes the best diet if it be boiled until the bones are clean. As a rule, the first dose of pills cures when timely used. Sometimes three or four doses may be necessary. There are cases in which it takes weeks to cure ; but they do not occur once in a thousand times. In any event, no medicine or plan of treatment is better than that above recommended, or will sooner cure. So soon as the irritating matters are removed, so soon you will be well, and not before. Anodynes and astringents them beautifully white; for sale by have a deleterious effect; because they occasion the retention of that death principle which alone causes dysentery, diarrhæa, cholera, and all other diseases. according to its excess over the principle of life. But Brandreth's Pills are opposed to this as water is to fire, or as heat is to cold ; and when they are taken into a man, they go to work boldly to drive this death principle from the body, and all they can do-but if there be work for fifty doses, one dose must not be expected to do the work of fifty. And this trath should always be kept in mind.

Let not the patients frighten themselves with the idea that they are too weak to bear much purging ; but bear in mind that these mildly operating Pills of Bleeding-and for Burns, Bruises, Fresh Cuts, Dr. Brandreth put not weakness into the frame, Mashes, &c. It is a perfect pain extractor. TSee but draws weakness out, leaving strength in its place, and gives composing sleep at night, and an appetite to relish any food.

## To Revolutionary Claimants.

FOR several years past, many inquiries and searches have been made, and without success, for the official proofs of the grader and services of the Officers in the North Carolina line, in the War of the Revolution : and for the want of such proofs. the claimants for these services have been unable to

establish and obtain pay for the same. This is to inform those interested, that the subseriber has turned his attention to a laborious examination of thousands of old papers and records in the Capitol, and after much time and labor spent in the search, has found among files long since deemed useless, the Records in question, where they had been misplaced and supposed to be lost-shewing the official proof of the grades of thousands of such officers ; such as Cotonels, Lieutenant-Colonels Captains, Lieutenants and Ensigns.
