By His Excellency, Charles Manly. Governor of the State of North Carolina.

A PROCLAMATION. HEREAS the General Assembly did, at their last Session, adopt a Resolution in these

"Resolved, by the General Assembly of the State of North Carolina, that the Governor of the State for the time being, be directed to set apart a day in every year, and to give notice thereof, by Proclamation, as a day of solemn and public thanks giving to Almighty God, for past blessings, and of supplication for his continued kindness and care over us as a State and as a Nation:"

Now, in compliance with the direction therein giv-en. I do hereby set spart THURSDAY, THE FIFTEENTH DAY OF NOVEMBER NEXT, to be observed throughout this State as a day of general Thanksgiving and Praise to Almighty God:and I do recommend and earnestly desire that all secular employments may be suspended during the day, and that all Ministers of the Gospel, with their congregations, may assemble in their respective Churches, and unite in rendering gratitude and praise to the Creator and Governor of the earth, for the blessings of Peace; for exemption from the rava-ges of Pestilence; for the abundant fruts of the earth and for all the other manifold bounties of his Providence, that have crowned the year :-- and to implore of him the continuance of his Fatherly goodness and Almighty protection over us and the whole people of the United States; that we may be a people fearing the Lord and walking in his holy ways, and that peace and happiness, truth and justice, re-ligion and piety may be established among us for all

disease of this class, are always of the most malignant, wisonous quality, and no safety to life axists while any portion remains in the bowels or the blood-Should the first dose not cure, be not alarmed, but reiterate that dose. Should the evacuations be very putrid, of bad odor, unnatural color, &c. &c , besides using four or six pills twice a day, take also, a tea-spoonful of powdered charcoal, in water, every day, while these symptoms continue. Let your diet be light, and of easy digestion, as arrow root, rice pudding, Indian meal gruel; also, sheep's head broth with rice and a piece of cinnamon boiled in it, or calves head broth. Sheep's head makes the best diet if it be boiled until the bones are clean. As a rule, the first dose of pills cures when timely used. Sometimes three or four doses may be necessary. There are cases in which it takes weeks to cure; but they do not occur once in a thousand times. In any event, no medicine or plan of treatment is better than that above recommended, or will sooner cure. So soon as the irritating matters are removed, so soon you will be well, and not before. Anodynes and astringents have a deleterious effect; because they occasion the retention of that death principle which alone causes dysentery, diarrhæa, cholera, and all other diseases, according to its excess over the principle of life.
