Raleigh Paper Mill!

THE undersigned takes this method of informing the Publishers of Newspapers and Periodicals in North Carolina, and the Public generally, that he has leased the Paper Mill, about 3 miles from Raleigh, procured the services of finished operatives, purchased the necessary stock, and is now prepared to make and furnish any amount of Paper to order. He asks a trial only for his Paper, as he is determined to give satisfaction in it, or cease its manufacture.

To "encourage Home Industry" is, under all circumstances, commendable and proper; and it is wise, when in doing so, we sacrifice nothing ourselves.

MY DEAR SIR:—I have tried the Indian Tonic in six different cases, and find it efficacious in a very high degree. It arrested the chill in every instance, and as yet there has been no return. Dr. A. F. Coopers' Spine-Abdominal Supporters.

THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri

PROF. MORRIS thinks they are very well adapted for some varieties of incipient spinal distortions, as they effect the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.

The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.

A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would give one of the above, for fifty cents.

"They need no puffing as they speak for themselves." **PESCU & JOHNSON.**

THE above Supporter is an improvement on Dr. E. C. CAINE'S celebrated Spine-Abdominal Supporter. Jan. 12, 1848. (Standard) 4

DOLLAR'S HAIR WASH AND POMADE.

THIS is justly popular and admired preparation, needs but a trial to use no other; a supply just received and for sale at the Drug Store of **WILLIAMS, HAYWOOD & CO.** August 6th, 1849. 63

Ague, Bilious, Typhus and all Fevers—Dysentery and Diarrhea.

In the commencement, it is of absolute importance, in view of a speedy cure, that a full dose of pills be taken at once, because the humors which produce disease of this class, are always of the most malignant, poisonous quality, and no safety to life exists while any portion remains in the bowels or the blood. Should the first dose not cure, be not alarmed, but reiterate that dose. Should the evacuations be very putrid, or bad odor, unnatural color, &c. &c., besides using four or six pills twice a day, take also, a teaspoonful of powdered charcoal, in water, every day, while these symptoms continue. Let your diet be light, and of easy digestion, as arrow root, rice pudding, Indian meal gruel; also, sheep's head broth with rice and a piece of cinnamon boiled in it, or calves head broth. Sheep's head makes the best diet if it be boiled until the bones are clean. As a rule, the first dose of pills cures when timely used. Sometimes three or four doses may be necessary. There are cases in which it takes weeks to cure; but they do not occur once in a thousand times. In any event, no medicine or plan of treatment is better than that above recommended, or will sooner cure. So soon as the irritating matters are removed, so soon you will be well, and not before. Anodynes and astringents have a deleterious effect; because they occasion the retention of that death principle which alone causes dysentery, diarrhea, cholera, and all other diseases, according to its excess over the principle of life. But Brandreth's Pills are opposed to this as water is to fire, or as heat is to cold; and when they are taken into a man, they go to work boldly to drive that death principle from the body, and all they can do—but if there be work for fifty doses, one dose must not be expected to do the work of fifty. And this truth should always be kept in mind.

Let not the patients frighten themselves with the idea that they are too weak to bear much purging; but bear in mind that these mildly operating Pills of Dr. Brandreth put not weakness into the frame, but draws weakness out, leaving strength in its place, and gives composing sleep at night, and an appetite to relish any food.

THE BRANDRETH PILLS

Are composed wholly of medicinal herbs, and do not contain any mineral or chemical substance; are perfectly harmless to the most tender age or weakest frame; and nevertheless sure to search out the cause of the sickness and produce a CURE, whatever may be its character, when taken in time, and in quantities sufficient.

The Brandreth Pills are sold at 25 cents per box, by **WILL. PECK & SON,** Raleigh, and by one agent in every town in the United States, and in almost every city throughout the world. Let all be careful where they buy or they will obtain a counterfeit. Buy only of men whose characters you know to be above so mean an action as to sell a false for the true Brandreth's Pills. Observe the six signatures of Dr. Brandreth on each box.
