The bottle has been enlarged to hold ONE QUART, and in its present improved form may safely claim to be the BEST and CHEAPEST Medicine of the age. The following is from Col. S. G. Taylor, a gentleman of high standing and extensive acquaintance in the Southern states, and lately appointed Consul to New Granada > Messrs. A. B. & D. Sands:—

Gentlemen,—Having used, and witnessed the effects of your excellent preparation of Sarsaparilla on different persons in various parts of the Southern country, viz., Virginia, Louisiana, Texas, and Mexico, I feel much pleasure in stating the high New York, January 7, 1848. opinion entertained of its great medicinal value. In my own case it acted almost like a charm, removing speedily the enervated state of the system, and exciting, in the most agreeable manner, a tonic and invigorating influence.

Your Sarsaparilla is highly approved and extensively used by the U. States army in Mexico, and my cousin, GEN. ZACHARY TAYLOR, has for the past five years been in the habit of using it, and recommends the same; he and myself adopted the article at the same time, and it is now considered an almost indispensable requisite

article at the same time, and it is now considered an almost indispensable requisite in the army. In conclusion I would say, that the better it is known the more highly it will be prized, and I trust that its health-restoring virtues will make it generally known throughout the length and breadth of our widely-extended country.

Yours very respectfully,

REMARKABLE CURE OF SCROFULA.

Southport, Conn., January 1, 1848.

Messrs. Sands:—Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Sarsaparilla in the case of my wife. She was severely afflicted with the Scrofula on different parts of the body; the glands of the neck were greatly enlarged, and her limbs much swollen. After suffering over a real finding no relief from the remedies used the disease attacked one leg and year, and finding no relief from the remedies used, the disease attacked one leg, and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use Sands' Sarsaparilla. The first bottle produced a decided and favorable effect, relieving her more than any prescription she had ever taken; and before she had used six bottles, to the astonishment and delight of her friends, she found her health quite restored. It is now over a year since the cure was affected and her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly error cated from the system. Our neighbors are all knowing to these facts, and think Sands Sarsaparilla a great blessing to the age.

Yours with respect,

JULIUS PIKE.

Messrs. A. B. & D. Sands:—

Gentlemen—Feelings of gratitude induce me to make a public acknowledgment of the benefit I have derived from the use of your Sarsaparilla. I have for several years been afflicted with scrosulous swellings in my head, which at times would gather and discharge at my throat, nose, and ears, and at others would break out in different parts of my face and head. These continued until my throat, face, and head were almost one complete sore, and for a long time I was so hoarse that i was with the utmost difficulty that I could speak above a whisper. During this time I had several attacks of pleurisy and other diseases. I consulted different physicians, and tried various remedies, but received no benefit until I commenced using your farsaparilla. I am now well; the sores are all healed, and I attribute the result entirely parilla.
