The "Bug" also at Home again-HAVE just returned the second time from Bos-ton, N. York, and Philadelphia, having spent nearly all of August and September in said Cities, getting up our CLOTHING, every article of which mas cut by himself, and made up under my owninspec-tion, and I presume there is no one in North Car-olina now, who would be verdant enough to question my espacity after the eloquent tribute paid to my 'artistic skill, in our last Superior Court, by Judge, Counsel on both sides, witnesses and Jurors I reer to the case of " Biggs vs. Oliver"-action for

damages, in which I had to pay \$250, in consequence of my extended reputation.

Come in, if you please, and assist me in paying off the judgment by buying our goods. Who is there in North Carolina, who has not heard of the Hon. George E. Badger, the Hon. Wm. H. We are connected, as all our customers know— and if they don't know it, they may—with no North-ern House—but we are Tailers ourselves—buy our own goods, and import quite as many of what we purchase in proportion to our business, as any house in this State or out of it. There is no establishment here or elsewhere that possesses any advantage over us. We buy where every body else buys, and we think we understand our business and buy as cheap-ly. We say our clothing is equal to any offered for sale in North Carolina, and, we think superior, being Judges ourselves of clothing. Of that though, we will leave the public to decide, when they examine for themselves. One thing is certain-without intending to reflect upon any one-we will sell our clothing cheaper than the same articles can be bought for in any of the Northern Cities, and as cheap as any body that comes here, who does not steal his clothing ready made
