Purity the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last twenty years, **three millions of persons have annually been benefited by the use of these Medicines;** a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in **Moffat's Life Pills** and **Phœnix Bitters,** a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.

The "Bug" also at Home again.

I HAVE just returned the *second* time from Boston, N. York, and Philadelphia, having spent nearly all of August and September in said Cities, getting up our CLOTHING, *every article of which was cut by himself,* and *made up under my own* inspection; and I presume there is no one in North Carolina now, who would be verdant enough to question my capacity after the eloquent tribute paid to my 'artistic skill, in our last Superior Court, by Judge, Counsel on both sides, witnesses and Jurors I refer to the case of "Biggs vs. Oliver"—action for damages, in which I had to pay $250, in consequence of my extended reputation.

Come in, if you please, and assist me in paying off the judgment by buying our goods. Who is there in North Carolina, who has not heard of the Hon. George E. Badger, the Hon. Wm. H. Haywood, Jr., and 'Bug' Oliver, Why 'their fame is no more to be hemmed in by State lines than their talents are to be circumscribed within the same narrow limits'

We are connected, as all our customers know—and if they don't know it, they may—with no Northern House—*but we are Tailors ourselves*—buy our own goods, and import quite as many of what we purchase in proportion to our business, as any house in this State or out of it. There is no establishment here or elsewhere that possesses any advantage over us. We buy where every body else buys, and we think we understand our business and buy as cheaply. We say our clothing is equal to any offered for sale in North Carolina, and, we think superior, being Judges ourselves of clothing. Of that though, we will leave the public to decide, when they examine for themselves. One thing is certain—without intending to reflect upon any one—we will sell our clothing *cheaper* than the same articles can be bought for in any of the Northern Cities, and as cheap as any body that comes here, who does not steal his clothing ready made

Our stock embracing Drab, Black, Blue, Green, Gray, and other OVERCOATS from 6 to $20 and upwards. Cloaks, full circle, $16 upwards. Frock, dress, and Sack COATS from 7 to $12 and upwards PANTALOONS, all colors and prices, from $4 to $3. VESTS, all kinds and all sizes, at all prices from $1,25 to $5. In fact, every thing that can be found in any similar establishment in the Union.

We are North Carolinians. We are permanently located here, and if we sell as cheap as others, why not give us the preference? If we do not sell as good goods at as small a price, we will not ask your patronage.

BLAKE'S

Patent Fire Proof Paint.

☞ This most singular substance, in a few months after applied, turns to *Slate or Stone,* forming a complete coat of Mail, protecting whatever is covered from the action of Fire and Weather. It has now been tested more than six years and shows that TIME and the ELEMENTS only seem to *indurate* or *harden* the substance; it seems to be a perfect desideratum for all outside painting that has for centuries been sought in vain. For all descriptions of buildings, either Brick, Wood, or roofs of Wood or Metal, there is nothing equal to it. So highly are its Fire proof qualities appreciated in Akron, Ohio, where it is best known, that all the Insurance Companies have published that they will Insure Buildings well covered with it at a much lower premium than those covered with Tin or Zinc, as it has been tried in several fires there and stood much longer than either. For Rail Road Depots, Bridges, Steamboat and Car decks, for all kinds of Iron, it forms a coating nearly as hard as the Iron itself and never cleaves off.

"WHOSEVER DARE TREAD 'BOOTS' DISTRACT, MUST MEET BOOTASTUS, BACK TO BACK."

Alfred Mitchell, *alias* "BOOTS," for short, and by way of dignity, respectfully informs his numerous customers, that he has recently fitted up his Establishment, in the best style, and is now thoroughly prepared to carry on his business as BARBER, just "as it used to was," with the exception that he thinks he has improved by practice both in skill and manners.

The Members of the approaching Legislature, and my old customers especially, of that body, will always find me ready to shave and trim both in the quickest, easiest, and most fashionable manner, and if any should prefer the old fashion, "Boots" will be entirely agreeable, and conform to the tastes and wishes of his customers.

On application, Ladies and Gentlemen can have their Hair curled most elegantly, according to the prevailing fashions.

No reference is made to particular gentlemen—my qualifications must be judged of by the com munity which I have served in my line of business, for a number of years.

Hair will also be cleared of dandruff, and if requested, dyed any color, to suit the customers.

My establishment is on Fayetteville Street, within two doors of Yarbrough's New Hotel.
