BLAKE'S Patent Fire Proof Paint. This most singular substance, in a few months after applied, turns to State or Stone, forming a

complete coat of Mail, protecting whatever is cor-ered from the action of Fire and Weather. It has now been tested more than six years and shows that now been tested more than six years and shows that Time and the elements only seem to indurate or hardes the substance; it seems to be a perfect desideratum for all outside painting that has for centuries been sought in vair. For all descriptions of buildings, either Brick, Wood, or roofs of Wood or Metal, there is nothing equal to it. So highly are its Fire proof qualities appreciated in Akron. Ohin, where it is best known, that all the insurance Companies have published that they will Insure Buildings well covered with it at a much lower premium than those covered with Tin or Zinc, as it has been these who may be committed to our charge.

Dr. CHRISTIE'S GALVANIC BELT MAGNETIC FLUID.

Strengthening the weakened body, giving tone to the variable argain, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDEGESTION, RHEUMATISM, ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALSITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVES COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and SH NERVOUS DISEASES, which complaints arises from one simple cause—mannely.

The In NERVOUS COMPLAINTS, Drops and Medicin mercase the disease, for they weaken the vital energies of already protested system; while under the strongthenic life-giving, vitalizing influence of Galvanian, as applied this beautiful and wonderful discovery, the exhausted patient weakened cufferer is restored to former health, strong clineticity and vigor.

The great poculiarity and excellence of

Dr. Christie's Galvanie Cur lets, in the fact that they arrest and cure 60,000 Persons

when all hope of relief had been given up, and every thing slee been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bone of civilization DYSPEPSIA, or any other Chronic or Nurvous Disorder. It ordinary cases, stimulants are taken, which, by their fiction of the sperves and muscles of the stomach, afford componing relief, but which leave the patient in a lower state, and with minred faculties, after the action thus excited has count. Now compare this with the effect resulting from the application of the GALVANIC SELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the she field worse symptoms of an attack, and simply the she field wround the body, using the Magnetic Field as directed. In a short period the insensible perspiration will not out the patitive element of the Belt, thereby Causing a Galvanic circulation which will pair on to the sagnifier, and thence back again to the positive, thus keeping up a commission Galvanic circulation throughout the system. Thus the most severe cases of DYSFEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUSFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTINONIALS

Rev. Dr. Landis, a Clergyman New Jersey, of distinguished attainments and exalted Ds. A H. CHRISTIE Deer Sire You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is an follows: follows:

For about twenty years I had been suffering from Dyspe sia. Every year the symptoms became worse, nor could obtain permanent relief from any course of medical treatmen whatever. About fourteen years since, in consequence of frequent exposure to the weather, in the discharge of my particularly.

whatever. About fouriers years since, in consequence fraquent exposure to the weather, in the discharge of my pa toral duties, I became subject to a severs Chronic Rhound tiem, which for year after year, caused as indescribable anguish. Farther: in the winter of 45 and 18, in consequence of preaching a great deal ir my own and various other churches in this region, I was attacked by the Bronchitti which soon became so severe as to require a immediate suspension of my pastoral labors. My nerveus system use most throughly preastrated, and as my Bronchilla became worse, so also did my Dysapsia and Rheumetic affection—thus evincing that these disorders were connected with each other thinguist the medium of the Nerveus System. In the whole plantaneous that these disorders were connected with each other thinguist the medium of the Nerveus System; every thing that I had tried for this purpose had completely falled. At hat was all by my friends to examine your investions, and (though with no very sanguine hopes of their efficiency,) I determined to try the affect of the application of the GALVANIC SELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. To my observe on the Benedities; on my my pastoral labors. They have tried them, were markety examined to many whe have been likewise suffering from Neuralgic affections. They have tried them, were markety results of the experiment.

All physicisms acknowledge that these terrible diseases are saused by a deficiency of Nervens Energy in the effected timbs. Dr. Chairris's Galvanic Articles will supply this descine power, and a complete and entire cure is thus effected. 1000 Cases of Palsy and Paralysis
