For the Removal and Permanent Cure of all NERVOUS DISEASES,

those Complaints which are caused by an impeired weakened or unhealthy condition of the NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been prop nounced by distinguished physicians, both in Europe and the United States, to be the most caluable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID, is used with the most perfect and certain success in all

cases of GENERAL DEBILITY,

GENERAL DEBILITY, Strengthening the weakened body, giving tone to the various ergans, and invigorating the entire system. Also in FiTS, CRAMP, PARALISIS and PALSY, DYSPEPSIA or INDI-GESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TRE-MORS, PALPITATION OF THE HEART, APOPLEXT, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KID-NETS, DEFICIENCY OF NERVOUS and PHYSICAL EN-ERGY, and all NERVOUS OF NERVOUS and PHYSICAL EN-ERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely, from one simple cause-namely

A Derangement of the Nervous System.

to- in NERVOUS COMPLAINTS, Drugs and Medicines crease the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vialiving influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor. The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by and ward application, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction. They strengthen the whole system, equalize the circulation of

the blood, promule the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervjus Complaints, have been

ENTIRELY AND PERMANENTLY CURED, en all hope of relief had been given up, and every thin else been tried in vain ! To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervons Disorder. In ordinary cases, stimulants are taken, which, by their action on ordinary cases, stimulants are taken, which, by their schools on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now com-pare this with the effect resulting from the application of the GALVANIC BELTT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible measuration will act on the positive period the mensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic eirculation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circula-tion throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

The best Family Medicine now before the public. It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, auff they require no restraint from business or pleasure. The afflicted have in Noffat's Life Pills and Phænix Bitters, a remedy that will do for them all that me have can possibly effect. The genuine of these medicates are now put up with a fine steel engraved wrapper and labels,

CURE OF BHEUMATISM, BRONCHITIS AND DYSPEPSIA Rev. Dr. Landis, a Clergyman

of New Jorsey, of distinguished attainments and exalted reputation :---SIDNEY, New Jersey, July 12, 1848.

Dn. A. H. CHRISTIE-Dear Sire You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is a

THE GALVANIC BELT AND NECKDACE. My reply is as follows: For about *licently years* 1 had been suffering from Dyspep. sia. Every year the symptoms became worse, nor sould 1 olds in permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent expessure to the weather, in the discharge of my pas-toral duties, 1 became subject to a severe Chronic Rheuma tism, which for year after year, caused me indescribable anguish. Farther: in the winter of 45-and 46, in consequence of preaching a great deal ir my own and various other anguish. Farther: in the winter of 45-and 46, in consequence of preaching a great deal ir my own and various other churches in this region, I was attacked by the Bronchitia, which soon became so severe as to require an immediate ans pension of n.y pastoral labors. My nervous system was now thoroughly prostrated, and as my Bronchitis became worse, a also did my Dyspepsia and Rhenmetic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmaco-posia there seemed to be no remedial agent which couls reach and recuperate my Nervous System ; every thing that reach and recuperate my Nervous System; every thing that had tried for this purpose had completely failed. At last was led by my friends to examine your inventions, and (theugh with no very sanguine hopes of their efficiency, I determined to try the effect of the application of the GALVANIC BKLY AND NECKLACE, with the MAGNETIC FLUID. This was ID JUNE, 1846. TO MY GREAT ASTONISHMENT, IN TWO DATE ME DYSPERSIA HAD GONE; IN RIGHT DAYS I WAS EMABLED TO SESUME MY PASTORAL LABORS; NOR HAVE I SINCE OMITTO-A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITE; AND A RECOMMATIC AFFECTION HAS ENTIRELY PEASED TO THEOREE BA-Such is the wonderful and happy results of the experiment. I have recommended the BELT and FLUID to many whe have been likewise suffering from Neuralgic affections. The have tried them, with Harry RESULTS, I BELIEVE, IN ETEM
