The best Family Medicine now before the public

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phonix Bitters, a remedy that will do for them all that medicine can possibly effect. The genuine of these medicines are now put up with a fine steel engraved wrapper and lubels, and copy right secured according to the laws of the United States. Prepared by W. B. MOFFAT, M. D., New-

Department of Languages, R. A. Ezell, A. M. Department of Mathematics, D. R. Wallace, A. THE TWENTY-THIRD SESSION will commence on the 15th day of January, 1850.

The Principal takes great pleasure in informing the Public that the Mathematical Department has been, at the cost of great labour and expense, placed upon an exalted and permanent basis. Mr. Walace whose services have been secured for that division of the School, was graduated with the first distinction at College, and has since had charge of the Greenville Academy, which, as Principal, he conducted with entire success and universal approbation His testimonials from the most eminent Scholars of the state evince a high order of Scholarship and a high rank as an Instructor. In the Warrenton Academy, boys are prepared thoroughly for the advanced classes of any College in the Union or for the varied duties of useful life. The strictest attention is given to the moral as well as intellectual improvement of the Students, and the course of instruction, while it insures a high order of Scholarship, is designed to develope and strengthen the faculties of the mind.

This beautiful and convenient application of the mysteriols' powers of GALVANISM and MAGNETISM, his been propounced by distinguished physicians both in Europe and the sounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID used with the most perfect and certain success in all GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various ergans, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSTEPSIA of INDEGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE BEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LAVES, COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints street from one simple cause—annely.

A Derangement of the Nervous System. in NERVOUS COMPLAINTS, Drugs and Medicines are the disease, for they weaken the vital energies of the aiready prostrated system; while under the strengthening, life giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, using the lasticity and vigor. asticity and vigor.
The great peculiarity and excellence of ...

Dr. Christie's Galvanio Curatives, consists, in the fact that they arrest and cure disease by our ward application, in place of the usual mode of drugging she physicking the patient, till exhausted Nature sinks hopelessly under the indiction.

They strengthen the whole system, equalize the circulation of the blood, premote the secretions, and never do the slightest figure under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are paculiarly subject to Merv-ous Complaints, have been BUTIRELY AND PERMANENTLY CORED,

when all hope of relief had been given up, and every think size been tried in vain!

To illustrate the use of the GALVANTC BELTE, supposed the case of a person afflicted with that bame of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action of the nerves and muscles of the stomach, afford temporary sellet, but which leave the patient in a lower state, and with injured faculties, after the action thus excited his ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration wiff act on the positive element of the Belt, thereby causing a Galvanic circumstate element of the Belt, thereby causing a Galvanic circumstation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE BISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS Of the most Undoubted Character, From all parts of the Country could be given, sufficient to fill every column in this paper!
