complete coat of Mail, protecting whatever is cov-ered from the action of Fire and Weather. It has now been tested more than six years and shows that TIME and the ELEMENTS only seem to indurate or harden the substance; it seems to be a perfect desi-deratum for all outside painting that has for centu-ries been sought in vain For all descriptions of buildings; either Brick, Wood, or roofs of Wood or Metal, there is nothing equal to it. So highly are its Fire proof qualities appreciated in Akron. Ohio, where it is best known, that all the Insurance Com-panies have published that they will Insure Buil-dings well covered with it at a much lower premium than those covered with Tin or Zinc, as it has been tried in several fires there and stood much longer than either. For Rail Road Depots Bridges, Steam boat and Car decks, for all kinds of Iron, it forms a evating nearly as hard as the Iron itself and never

cleaves off. A large supply just received and for sale by P. F. PESCUD.
