EXCELSIOR
has **LEWIS & BLODGETT'S**
Patent Rotary Sewing Machine.

This Machine will perform fine stitching, at the
rate of 1000 per hour for cotton and linen, and
at the rate of 800 per hour for woolen goods.
For Tails, it is indeed invaluable; and for Cap
Makers, Carpet Bag, Grain, and Salt Bag, and
Up-holstery Manufacturers, it does complete. Also
for Goggles and Fancy Sewing. One machine will
perform the work of five others.
Six or eight medals have been awarded this machine,
in the Fair of Boston, New York, Philadelphia,
Albany, Baltimore, and New Hampshire.
It was patented the 2d day of October, 1849, and
there are now in actual operation over two hundred
of these machines, making Clothing, Caps, Bags,
&c.
Messrs. Wm. E. Whitting & Co., No. 124 Pear
Street, New York, in six months, and with twenty
four machines, made \$50,000 worth of Caps alone.
Mr. Lewis has just returned from Europe, where
(in connection with Wm. H. Cary & Co., 245
Pearl St., New York,) he has patented the Machine
in England, Scotland, and the British Colonies,
also in France and Belgium.
An advertisement of gentlemen in this town having
purchased the Patent Right for the State of
North Carolina, and desiring to be
fully acquainted with its operations and merit,
appointed one of their number, Mr. S. P. Polley,
(a well known and practical machinist,) to visit
New York for this purpose. After a full and careful
examination of the machine, he reports that Mr.
Polley reports that he has witnessed the Sewing
Machines in the highest state of successful operation.
He took occasion to examine various other Machines
intended for this purpose, none of which will bear
a comparison with Lewis & Blodgett's; and parties
who had purchased another right have abandoned it
and bought this.
An improved Machine, brought on by Mr. P., is
now in operation at the Tailoring Establishment of
Mr. Chas. Herr, where it may be seen.
We guarantee this Patent to be a valid one, and
this Machine to perform all that is said of it in the
above notice.
We are now prepared to sell County and Town
Rights of this Patent, and we respectfully invite the
attention of all who wish to make money to the me-
rits of this Sewing Machine, which tells its own
story.

Purify the Blood.

The best Family Medicine now before the public.
It has been computed that during the last
twenty years, three millions of persons have
annually been benefited by the use of
these Medicines; a fact which speaks volumes
in favor of their curative properties—a single trial
will place them beyond the reach of competition in
the estimation of every patient. By their use the
blood is restored to a pure and healthy state, freed
from all impurities. The system is not reduced
during their operation, but invigorated, and they
require no other medicine or assistance.
The afflicted have in Moffat's Life Pills and
Phenix Bitters, a remedy that will do
for them all that medicine can possibly effect.
The genuine of these medicines are now put up
with a fine steel engraved wrapper, and label,
and copy right secured according to the laws of the
United States.

The "Bug" also at Home again.

I HAVE just returned the second time from
Boston, N. York, and Philadelphia, having spent
nearly all of August and September in sold Cities,
getting up our CLOTHING, every article of which
was cut by himself, and made up under my own in-
spection, and I presume there is no one in North Car-
olina now, who would be so venturesome as to com-
pare me especially after the eloquent tribute paid to my
artistic skill, in our last Superior Court, by Judge
Counsel on both sides, witnesses and Jurors. I re-
fer to the case of "Bug's" Oliver, in articles for
damages, in which I had to pay \$250, in consequence
of my extended reputation.
Come in, if you please, and assist me in paying
of the judgment by buying our goods. Who is
in North Carolina, who has heard of the
Hon. George E. Badger, the Hon. Wm. H. Ha-
wood, Jr., and "Bug" Oliver, Why their fame is
no more to be hounded in by State lines than their
talents are to be circumscribed within the same nar-
row limits.
We are connected, as all our customers know—
and if they don't know it, they may—no Northern
Home—We are *Tailors ourselves*—buy our
clothes and import quite as many of what we
purchase in proportion as our business, as any house
in this State or out of it. There is no establishment
here or elsewhere that possesses any advantage over
us. We buy where every body else buys, and we
think we understand our business and buy as cheap
as any other house. It is equal to any other for
sale in North Carolina, and we think superior, be-
ing Judges ourselves of clothing. Of that though,
we will leave the public to decide, when they exam-
ine for themselves. One thing is certain—without
intending to reflect upon any one—we will sell our
clothing cheaper than the same articles can be bought
for in any of the Northern Cities, and as cheap as
any body that comes here, who does not steal his
clothing ready made.
Our stock embracing Drab, Black, Blue, Green,
Gray, and other OVERCOATS from 6 to \$20 and
upwards. Cloaks, full circle, \$18 upwards. Frock,
dress, and Sack COATS from 70¢ and upwards
PAINTED in all colors and prices, from \$4 to
\$8. VESTS, all kinds and all sizes, at all prices
from \$1.25 to \$5. In fact, every thing that can be
found in any similar establishment in the Union.
We are North Carolinians. We are permanent
residents here, and if we sell cheap as others,
why not give the preference? If we do not sell
as good goods at as small a price, we will not ask
your patronage.
