The best Family Medicine now before the public.

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phonix Bitters, a remedy that will do for them all that medicine can possibly effect. MAGNETIC FLUID. used with the most perfect and certain success in ell GENERAL DEBILITY, Strengthening the weakened body, giving tone to the various ergans, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA of INDEGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVES COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the RIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complishes wise from one simple cause—namely.

A Derangement of the Nervous System for in NERVOUS COMPLAINTS, Drings and Medicines mercase the discuse, for they weaken the vital energies of the already prostrated system; while under the strengthening life-giving, vitalizing influence of Galvardim, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest and curs disease by set word application, in place of the usual mode of drugging and physicking the patient, till exhausted Nature darks hopeleastly under the infliction.

They strengthen the whole system, equalize the disculation of the blood, premate the secretions, and never do the disclosest injury under any circumstances. Since their introdiscion in the United States, only three years since, more than

60,000 Persons including all ages, classes and conditions, among what a large number of ladies, who are peculiarly subject on complaints, have been ENTIRELY AND PERMANENTLY OURED, when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC ERLY, express the case of a person afflicted with that buse of civilination, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action estable her east and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has caused. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus Reeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS. ENTIRELY AND PERMANENTLY CURED,

Dr. A H. Cernistin—Dear Sire Yes whit to have of an what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACK. My reply is a follower. THE GALVANIC BELT AND NECKLAGE. My reply is as follows:

For about twenty years I had been suffering from Dyspessia. Every year the symptoms bethen were, my could sobtain permanent relief from any course of medical treatment whatever. About fourteen years since, in measurement of frequent exposure to the weather, in the discharge of my pestoral duties, I became subject to a severe Chronic Rhemmatism, which for year after year, caused me indescribation anguish. Farther: in the winter of 45 and 46, in consequence of preaching a great deal ir my own and various other churches in this region, I was attached by the Bronchillin which soon became so severe as to require, an immediate mention of my pastoral labors. My nervens system was now thereughty prestrated, and as my Brunchillis houses were, as also did my Dyspepsia and Rheumatic affection. Thus evineing that these disorders were connected with each other through that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmoscopeis there seemed to be no remedial agent which conference and recuperate my Nervous System; every thing that the did for this purpose had completely failed. At last, was led by my triends to examine your inventions, and (though with no very tanguine hopes of their efficiency.) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. To by great automotive, or two days my Dyspersal had gone; in right days I was enabled to account at the Bestiment; and my account at the Bestiment; and my Rhenumatic appearant has entirely crasses to the experiment. I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, with marry results of measures, in usual case. I am, dear sir, very respectfully yours.
