"Truth is stranger than Fiction." CUR ELOP BUBUMATISM, BRONCHITIS AND DISPERSIA. Rev. Dr. Landis, a Clergyman

New Jersey, of distinguished attainments and assisted SIDNEY, New Jersey, July 12, 1846. DR. A. H. CHRISTIK—Dear Sire You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply man what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is at follows:

For about twenty years I had been suffering from Dyspeysia. Every year the symptoms became worse, nor would lobtin permanent relief from any course of medical boothing the whatever. About fourteen years sinks, in sufficience of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheuma tism, which for year after year, caused me indescribed anguish. Further: in the winter of 45 and 46 in consequence of preaching a great deal ir my own and various other churches in this region, I was attacked by the Bromphilis, which soon became so severe as to require an immediate suspension of my pastorated, and as my Bromehitis became worse, so also did my Dyspepsia and Rheumatic affection—thus et moust thereugh the medium of the Nervous System. In the whole pharinace peak there seemed to be no remedial agent which could reach and recuperate my Nervous System; every thing that I had tried for this purpose had completely failed. At his was led by my friends to examine your inventions and (floogia with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. To my great astronishment, in two dates by Dyservita had gone; in Kielet Data I was knamed to n June, 1846. To MY GREAT ARTONISHMENT, IN TWO DATE IN DISPERSIA HAD GONE; IN RIGHT DATE I WAS FRABLED TO

A SINGLE SERVICE OF ACCOUNT OF THE BRONCHITM; AND MY REMEMBATIC AFFECTION HAS ENTIRELY CRASSO TO TROUBLE ME. Such is the wonderful and happy results of the experiment. I have recommended the BELT and FLUID to many who have been likewise suffering from Namely in affections. They have tried them, WITH HAPPY RESULTS ALLESS, IN EVERY I am, dear air, very respectfully young. ROBERT W. LANDIS

The work is written with great sloquence and power of thought, and is imband with a congenishity of spirit and postic fervor akin to that of the Divine Bards, whose merits it definestes. It is unquestionably superior to any work that had been produced on the characters and beauties of the impired Minetrels of Israel.

when all hope of relief had been given up, and every time else been tried in vain!

To illustrate the use of the GALVARIC BELLY, uppered the case of a person afflicted with that hane of cistination, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited his ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvarie elemention which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanie circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanie circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanie circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FRW DAYS BE OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.
