for the Removal and Permanent Cure of all NERVOUS DISEASES. weakened or unhealthy condition of the NERVOUS SYSTEM.

This beautiful and convenient application of the mysteriospowers of GALVANISM and MAGNETISM, has been promounced by distinguished physicisms, both in Europe and the United States, to be the most valuable medicinal discovery of

Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID, GENERAL DEBILITY.

Strengthening the weakened body, giving tone to the various ergans, and invigorating the entire system. Also in FITS, GESTION, RHEUMATISM, ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, ATOPLEXY, NEURALGIA, PAINS in the SIDE and CHRST, LIVES COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints eribe from one simple catite—namely.

A Derangement of the Nervous System. gr in NERVOUS COMPLAINTS, Drugs and Medicines merease the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanian, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufficier is restored to britist health, strength, electricity and visor. electicity and vigor.
The great peculiarity and excellence of

Sonsists, in the fact that they arrest and cure disease by old ward application, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopeleasty under the inflation.

They atrosphen the whole system, equalize the circulation of the blood, promote the secretions, and never do the plichese sinks padder any circumstances. Since their introduction in the United States, only three years since, more than 60,000 Persons

hicluding all ages, classes and conditions, among which were a large invader of fedies, who are peculiarly subject to New ens Compleints, have been ENTIRELY AND PERMANENTLY GUEED, when all hope of relief had been given up, and every thing shen all hope of retief had been given up, and every many she beet tried in vein!

To illustrate the use of the GALVANEC SELLY, suppose the case of a person afflicted with that base of civillection, BYSPEPSIA, or any other Chronic or Nervous Disorder. It ordinary cases, stimulants are taked, which, by their school on the nerves and muscles of the stomach, afford temperature raised, out which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now conserve this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply the the Bolt mustle the body, using the Magnetic Fluid as directed. In a fact element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back time is the positive, thus keeping up a continuous Galvanic circulation throughout the system. This the most covers competition throughout the system. The throughout the system of the positive throughout the system.

AN EXTRACRDINARY GASE. which conclusively proves that "Truth is stranger than Fiction:" CURE OF RHEUMATISM. BRONCHITIS AND DYSPEPMA

Rev. Dr. Landis, a Clergyman of New Jersey, of distinguished attainments and existed Sinker, New Jersey, July 12, 1946. Dr. A. H. CHRISTIE—Dear Sire You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is not

what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspessia. Every year the symptoms became worse, nor could I obtain permanent relies from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure to the weather, in the discharge of my pactoral duties, I became subject to a severe Chronic Rheuma than, which for year after year, caused me indescribable arguish. Farther: in the winter of '45 and '46, in consequence of preaching, a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon become so severe as to require an immediate shapination of my pastoral labors. My nervous system was new thoroughly prestrated, and as my Bronchitis became worse, so also did my Dyspepsis and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System: In the whole pharmace peak there seemed to be no remedial agent which could reach and recuparate my Nervous System; every thing that I had tried for this purpose had completely failed. At last was led by my friends to examine your inventibles, and (though with no very singuine hopes of their efficiency.) I determined to try the effect of the application of the GALVANIC BES.T AND NECKLACE, with the MAGNETIC FLUID. This was by June, 1846. To by agent drontsharen, in two bays by Byspersia had cone; in Right days I since entryes as sweet search as a sweet; search as a count of the BALVANIC BES.T.

I have recommended the BELT. and FLUID to mappy who have tried them, with savey results of the experiment.

I sm, dear sir, very respectfully yours, ROBERT W. LANDIE.

DR. CHRISTIE'S GALVANIC NECKLACE m used for all complaints affecting the Throat or Head, such as Brenchitis, Inflammation of the Throat, Nerveus and Blek Headache, Dizziness of the Head, Neuralgia in the Pass, Buzzing or Roaring in the Ears, Deafness, which is generally Nerveus, and that distressed complaint, called Tip Dolerens.

All physicians acknowledge that these terrible diseases are saused by a deficiency of Nerveus Energy in the affected limbs. Da. Campere's Galvanic Articles will supply this deficient power, and a complete and entire cure is thus effected.
