One door North of the Uity Hall, Fayetteville St. Raleigh, Jan. 8, 1851.

> EXCELSIOR. LEROW & BLODGETT'S

Patent Rotary Sewing Machine.

THIS Machine will perform fine stitching, at the rate of one yard per minute, either for curved or graight work, and in making any sort of a garment. For Tailors it is indeed involuable; and for Cop Makers, Carpet Bag, Grain, and Salt Bag, and Uphoistery Manufacturers, it defies competition. Also for Gloves and Pancy Sewing. One machine will perform the work of ten giris' hand labor Sit silver medals have been awarded this machine,

in the Fairs of Boston, New York, Philadelphia, Albany, Baltimore, and New Hampshire.

It was patented the 2d day of October, 1849, and there are now in actual operation over two hundred SUPERFINE FRENCH, GERMAN AND ENof these machines, making Clothing, Caps, Bags, 40. 40

Messrs, Wm. E. Whiting & Co., No. 124 Pear street, New York, in six months, and with twenty four machines, made \$60,000 worth of Caps alone Mr. Lerow has just returned from Europe, where

(in connection with Wm, H." Cary & Co., 245 Pearl st., New York.) he has patented the Machine a England, Scotland, and the British Colonies, also in France and Belgium.

An association of gentlemen in this town having purchased the Patent Right for this State of the above named Sewing Machine, and desiring to be, CASHMERES, SILKS, SATINS AND VALEN come fully acquainted with its operations and merit appointed one of their number, Mr. S. P. Polley' (a well known and practical machinist,) to visit N. York for this purpose After a full and careful investigation of all matters pertaining thereto, Mr. Polley reports that he has witnessed the Sewing Machines in the highest state of successful operation. He took occasion to examine various other Machines intended for this purpose, none of which will bear a comparison with Lerow & Blodgett's; and parties who had purchased another right have abandoned it and bought this.

And our assortment of that article is at all times large, An improved Machine, brought on by Mr. P., is which offers to purchasers a great inducement of now in operation at the Tailoring Establishment of procuring an article of a quality which cannot be obtained in any other Clothing Establishment in the BEET, Early Flat Bassano, Early Blood Turnip, Hotel during their stay in the City. Mr. Chas. Barr, where it may be seen. We guarantee this Patent to be a valid one, and | City. We have on hand and are constantly Manufacturing this Machine to perform all that is said of it in the above notice. The "Bug" also at Home again. HAVE just returned the second time from Bos-ton, N. York, and Philadelphia, having spent nearly all of August and September in said Cities, getting up our CLOTHING, every article of which was cut by himself, and made up under my own inspec-tion; and I presume there is no one in North Carolina now, who would be verdant enough to question my capacity after the eloquent tribute paid to my artistic skill, in our last Superior Court, by Judge, Counsel on both sides, witnesses and Jurorsi I' refer to the case of "Biggs es. Oliver"-action for damages, in which I had to pay \$250, in consequence of my extended reputation. Come in, if you please, and assist me in paying

off the judgment by buying our goods. Who is there in North Carolina, who has not heard of the Hon. George E. Badger, the Hon. Wm. H. Hay-wood, Jr., and 'Bug' Oliver, Why 'their fame is no more to be hemmed in by State lines than their talents are to be circumscribed within the same narrow limits'

We are connected, as all our customers knowand if they don't know it, they may-with no North-ern House-but we are Tailors ourselves-buy our own goods, and import quite as many of what we purchase in preportion to our business, as any house in this State or out of it. There is no establishment here or elsewhere that possesses any advantage over us We buy where every body else buys, and we think we understand our business and buy as cheeply. We say our clothing is equal to any offered for sale in North Carolina, and, we think superior, be ing Judges ourselves of clothing. Of that though, we will leave the public to decide, when they examine for themselves. One thing is certain-without intending to reflect upon any one-we will sell our clothing cheaper than the same articles can be bought for in any of the Northern Cities, and as cheap as any body that comes here, who does not steal his clothing ready made

Our stock embracing Drab, Black, Blue, Green, Gray, and other OVERCOATS from 6 to \$20 and upwards. Cloaks, full circle, \$18 upwards. Frock, dress, and Sack COATS from 7to\$12 and upwards PANTALOONS, all colors and prices, from \$4 to 83. VESTS, all kinds and all sizes, at all prices from \$1,25 to \$5. In fact, every thing that can be

found in any similar establishment in the Union. We are North Carolinians. We are permanently located here, and if we sell as cheap as others, Eastern Pearl St. House, has been recently improved why not give us the preference? If we do not sell as good goods at as small a price, we will not ask your patronage.

Rev. Dr. Landis, a Clergyman of New Jersey, of distinguished attainments and confied "Ch Philosopher." etc. SIDNEY, New Jersey, July 18, 1988. Dr. A H. CHRISTIK-Dear Sire You with to know of per what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is an THE GALVANIC BELT AND NECKLACE. My repty is as fellows: For about twenty years 1 had been suffering from Dynamp sis. Every year the symptoms became worse, one could 1 obtain permanent relief from any course of medical treatment whatever. About fourieen years since, in consequence of frequent expourse to the weather, in the discharge of norma toral duties, 1 became subject to a severe Chronic Rheuma tism, which for year after year, caused me indescribed anguish. Farther: in the winter of 46 and 46 in consequence of preaching a great deal ir my own and various allow churches in this region, 1 was attacked by the Researching which soon became so zevers as to require an immediate me-pension of my pastoral labar. My nervous system are to the also did my Dyspepsis and Rheumatic affection - thus ensure also did my Dyspepsis and Rheumatic affection - thus ensure that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmeter

that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmace perist there seemed to be no remedial agent which could reach and recuperate my Nervous System ; every thing that had tried for this purpose had completely failed. At last was led by my friends to examine your inventions, and there with no very sanguine hopes of their efficiency. I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. The real in June 1946. IN JUNE, 1846. To MY GREAT ASTOMANATERT, ME TWO BARE AND DYSFRESIA HAD GONE; IN EIGHT DAYS I WAS AMARDED TO District a had gone; in right bars I was right to a single statistic on account of the Bongering and Bingle sharic on account of the Bongering; and an Right sharic affection has entitled chart to superior and Such is the wonderful and happy results of the empiricant I have recommended the BELT and FLUID to many the have been likewise suffering from Neuralgie advoting. They have been likewise suffering from Neuralgie advoting. They have tried them, with HAFFY ARSULTS, I BELIEFE, M. R.
