EXCELSIOR. LEROW & BLODGETT'S

Patent Rotary Sewing Machine. THIS Machine will perform fine stitching, at the rate of one yard per minute, either for curved or straight work, and in making any sort of a garment. For Tailors it is indeed invaluable; and for Cap Makers, Carpet Bag, Grain, and Salt Bag, and Uphoistery Manufacturers, it defies competition. Also or Gloves and Fancy Sewing. One machine will perform the work of ten girls' hand labor.

Six silver medals have been awarded this machine, in the Faire of Boston, New York, Philadelphia. Athany, Baltimore, and New Hampshire. It was patented the 2d day of October, 1849, and there are now in actual peration over two hundred of these machines, making Clothing, Caps, Bage,

Cary & Co., 245 Cearlst, New York.) he has patented the Machine in England, Scotland, and the British Colonies,

also in France and Be gium. An association of gentlemen in this town baving purchased the Patent Right for this State of the above named Sewing Machine, and desiring to be, come fully acquainted with its operations and merit appointed one of their number, Mr. S. P. Polley. (a well known and practical machinist,) to visit N. York for this purpose After a full and careful investigation of all matters pertaining thereto, Mr. Polley reports that he has witnessed the Sewing Machines in the highest state of successful operation. He took occasion to examine various other Machines intended for this purpose, none of which will bear a comparison with Lerow & Blodgett's; and parties who had purchased another right have abandoned it and bought this.

An improved Muchine, brought on by Mr. P., is now in operation at the Tailoring Establishment of which offers to purchasers a great inducement of Mr. Chas. Barr, where it may be seen. We guarantee this Patent to be a valid

The best Family Eddicine now before the public. It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties-a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phonix Bitters, a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up
