EXCELSIOR.

LEROW & BLODGETT'S
Patent Rotary Sewing Machine.

THIS Machine will perform fine stitching, at the rate of one yard per minute, either for curved or straight work, and in making any sort of a garment. For Tailors it is indeed invaluable; and for Cap Makers, Carpet Bag, Grain, and Silk Bag, and Upholstery Manufacturers, it defies competition. Also for Gloves and Fancy Sewing. One machine will perform the work of ten girls' hand labor.

Six silver medals have been awarded this machine, in the Fairs of Boston, New York, Philadelphia, Albany, Baltimore, and New Hampshire.

It was patented the 2d day of October, 1849, and there are now in actual persion over two hundred of these machines, making Clothing, Caps, Bags, &c. &c.

Messrs. Wm. E. Whiting & Co., No. 124 Pearl street, New York, in six months, and with twenty four machines, made $60,000 worth of Caps alone.

Mr. Lerow has just returned from Europe, where (in connection with Wm. H. Cary & Co., 215 Pearl st., New York,) he has patented the Machine in England, Scotland, and the British Colonies, also in France and Belgium.

An association of gentlemen in this town having purchased the Patent Right for this State of the above named Sewing Machine, and desiring to become fully acquainted with its operations and merits appointed one of their number, Mr. S P. Polley, (a well known and practical machinist,) to visit N. York for this purpose. After a full and careful investigation of all matters pertaining thereto, Mr. Polley reports that he has witnessed the Sewing Machines in the highest state of successful operation. He took occasion to examine various other Machines intended for this purpose, none of which will bear a comparison with Lerow & Blodgett's; and parties who had purchased another right have abandoned it and bought this.

An improved Machine, brought on by Mr P., is now in operation at the Tailoring Establishment of Mr. Chas. Barr, where it may be seen.

We guarantee this Patent to be a valid one, and this Machine to perform all that is said of it in the above notice.

We are now prepared to sell County and Town Rights of this Patent, and we respectfully invite the attention of all who wish to make money to the merits of this Sewing Machine, which tells its own story.

Purify the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in **Moffat's Life Pills** and **Phœnix Bitters**, a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.

King's Magnetic Washing Liquid.

THIS Liquid is the best agent ever yet discovered for removing dirt in every form, to be used in all cases where soap is required.

Doing away at once with washboards and hard rubbing, a common sized washing may be done in little over an hour with one gill of this Liquid; it softens and removes the dirt, leaving the articles of the most brilliant whiteness.

It is perfectly harmless in its operations, and clothing will wear much longer than when rubbed to pieces by the common method of washing.

When used in connexion with Soap it has no equal in cleaning windows and Paint, washing Dishes of all kinds, cleaning Milk Utensils, Scrubbing Floors &c., at a trifling expense.

For the Removal and Permanent Cure of all NERVOUS DISEASES,
And of those Complaints which are caused by an impaired weakened or unhealthy condition of the
NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,
as used with the most perfect and certain success in all cases of
GENERAL DEBILITY,
Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted nerves and weakened sufferer is restored to former health, strength, elasticity and vigor

The great peculiarity and excellence of
Dr. Christie's Galvanic Curatives,
consists, in the fact that they arrest and cure disease by one *mord application*, in place of the usual mode of dragging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder, in ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, *for a time*, may diminish but which leave the patient in a lower state, and with worse faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and simply let the Belt surround the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a constant Galvanic action throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS
Of the most Undoubted Character,
From all parts of the Country could be given, sufficient to fill every column in this paper!

AN EXTRAORDINARY CASE,
which conclusively proves that
"Truth is stranger than Fiction."
CURE OF
RHEUMATISM, BRONCHITIS AND DYSPEPSIA.
Rev. Dr. Landis, a Clergyman
of New Jersey, of distinguished attainments and exalted reputation:—

SUSSEX, New Jersey, July 12, 1850.

DR. A. H. CHRISTIE—Dear Sirs: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, not could I obtain permanent relief from any course of medical treatment whatever. About *fourteen* years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which, for year after year, caused me inexpressible anguish. Further: in the winter of '45 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the
