The best Family Medicine new before the public. It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phoenix Bitters, a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the

rom one simple cause—namely, A Derangement of the Nervous System. In NERVOUS COMPLAINTS, Drugs and Medical strength the directs, for they weaken the vital energies already prostrated system; while under the strength in life-giving, vitalizing influence of Galvanism, as spalled this beautiful and wonderful discovery, the exhausted points and weakened sufferer is restored to former health, then it should be a sufficiently and vigor. The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest and cure disease by our ward application, in place of the usual mode of dragging and physicking the putient, till exhausted Nature sinks hopewall under the infliction.

They strengthen the whole system, equalize the circumstance of the singular information and according to the blood, promote the secretions, and accorded to singular under any circumstances. Since their introduction in the United States, only three years since more than

60,000 Persons including all ages, classes and conditions, among , which was a large number of ladies, who are peculiarly subject to class out Complaints, have been ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every this when all stope of relief had been given up and every many slee been tried in vain!

Te illustrate the use of the GAEVANSO BEAT, square the case of a person efficied, with that have of civilization DYSPEPSIA, or any other Chronic or Nervous Discrete. So ordinary cases, stimulants are taken, which, by their self-she have serves and muscles of the stomeon, afford response, research the nerves and muscles of the stomeon, afford response, research the latter than the lower sette, and with historic faculties, after the action thus excited has ceased. Now capars this with the effect resulting from the application of GALVANIC SELT. Take a Dyspeptic sufferer, even in the body, using the Magnetic Fluid as directed. In a store period the insensible perspisation will not on the negative, such the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most sover under the persive, the keeping up a continuous Galvanic circulation throughout the system. Thus the most sover under DYSPEPSIA are PERMANENTLY CURED. A FEW DATE IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.
