DR. HOOPLAND'S
Celebrated German Bitters
PREPARED BY
Dr. C. M. Jackson,
AT THE
GERMAN MEDICINE STORE,
No. 120, Arch Street,
Philadelphia.

These Bitters are worthy the attention of invalids,
furnishing great virtues in the rectification of
disorders of the Liver and Gall-bladder, and in
the most searching powers in weakness and affections
of the digestive organs, they are without safe,
certain, and pleasant.

READ AND BE CONVINCED.
[From the "Boston Bee"]
"Dr. Hoopland's Celebrated German Bitters," for
the cure of Liver Complaint, Jaundice, Dyspepsia,
Chronic or Nervous Debility, is deservedly one of
the most popular medicines of the day. These Bitters
have been used by thousands, and a friend at our
elbow says he has himself received an effectual
and permanent cure of Liver Complaint from the
use of this remedy. We are convinced that, in
the use of these Bitters, patients constantly gain
strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and
can be used by persons with the most delicate
stomachs with safety, under any circumstances. We
are speaking from experience, and to the afflicted
we advise their use."

"Scott's Weekly," one of the best literary papers
published, said, August 25—
"Dr. Hoopland's German Bitters, manufactured
by one of the most prominent members of the faculty, as
an article of much efficacy in case of female weakness
As such is the case, we would advise all mothers to
use this bottle and themselves sometimes sick. One
of the most debilitated countries has found these
Bitters advantageous to their health as we know
from experience the salutary effect that they have
upon weak systems."
Judge M. M. Noah, a gentleman of great literary
and scientific attainments, and one of the "New
York Weekly Messenger," January 6, 1850.
"Dr. Hoopland's German Bitters."—Here is a preparation
which the leading presses in the Union
appear to be unanimous in recommending, and the
reason is obvious. It is made of the most valuable
materials furnished by one of the most celebrated physicians
of modern times, the late Dr. Christopher Wilhelm
Hoopland, Professor to the University of Bonn, Private
Physician to the King of Prussia, and one of the
greatest medical authorities of the present age.
He was emphatically the enemy of humors, and
therefore a medicine of which he was the inventor
and endorser may be confidently relied on.
He especially recommended it in Liver Complaint,
Dyspepsia, Debility, Vertigo, Acidity of the Stomach,
Constipation and all complaints arising from a
disordered condition of the stomach, the Liver and
the Gall-bladder. Nine Philadelphia papers express
their conviction of its excellence, and several of the
editors speak of its effects from their own individual
experience. Under these circumstances we feel
warranted, not only in calling the attention of our
readers to the present proprietors (Dr. C. M. Jackson),
but in recommending it, and in presenting the article
to all afflicted."

MORE EVIDENCE.
The Philadelphia Saturday Gazette, the best
family newspaper published in the United States,
the editor says—
DR. HOOPLAND'S GERMAN BITTERS.
"It is seldom that we recommend what are termed
Patent Medicines to the confidence and patronage
of our readers; and, therefore, when we recommend
Dr. Hoopland's German Bitters, we do so with a
distinctly understood that we are not speaking of
the nostrums of the day, that are noised about for
a brief period and then forgotten after they have
done their glibly run of mischief, but of a medicine
long established, universally prized, and which has
long been the hearty approval of the faculty itself."
Evidence upon evidence has been received (like
the foregoing) from all sections of the Union, like
last three years, and the strongest testimony in its
favor, is that there is made of it used in the practice
of the regular physicians of Philadelphia, than
all other nostrums combined—a fact that can be
easily established, and fully proving that a scientific
preparation, and most with their quiet approval
well presented even in this form.
That this medicine will cure Liver Complaint
and Dyspepsia, as we can do, after using it as
directed. It acts specifically upon the stomach and
liver; it is preferable to calomel in all bilious
disorders; the effect is immediate. They can be administered to
FEMALE OF INFANT WITH SAFETY AND
Pleasant benefit, at any time.

BEWARE OF COUNTERFEITS.
This medicine has attained that high character
which is necessary for all medicines to attain, to
induce counterfeits to put forth a spurious article
at the risk of the lives of those who are innocently
deceived.
**LOOK WELL TO THE MARKS OF THE
GENUINE.**
They have the written signature of C. M. JACKSON
upon the wrapper, and the name blown in the
bottle, without which they are spurious.
