"Dr. Hodgson's Celebrated German Bitters," for the cure of Liver Complaint, Dyspepsia, Chronic, or Neurasthenia, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our store says he has himself received an effectual and permanent cure of Liver Complaint from the use of the remedy. We are convinced that in the use of these Bitters, the patient constantly gains strength and new health, and that they are safe and useful to persons with the most delicate stomachs with safety, under any circumstances. We speak from experience, and to the affected we advise their use."

"Scorri's Worker," one of the best literary papers published, said, August 22d.

"Dr. Hodgson's German Bitters," manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as a safe and efficacious medicine for the cure of Liver Complaint. At this time, we would advise all men to buy a bottle of these Bitters and those most esteemed physicians, they are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We speak from experience, and to the affected we advise their use."
