SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGININGS OF EVIL, AND GREAT DEPRESSION OF SPIRITS;
CAN BE EFFECTUALLY CURED,
BY
DR. HOOFLAND'S
Celebrated German Bitters
PREPARED BY
Dr. C. M. Jackson,
AT THE
GERMAN MEDICINE STORE,
No. 120, Arch Street,
Philadelphia.

Their power over the above diseases is not excelled, if equalled by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED.
[From the "Boston Bee."]

The Editor said, Dec. 22d.

"*Dr Hoofland's Celebrated German Bitters*, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances.—We are speaking from experience, and to the afflicted we advise their use."

"Scott's Weekly," one of the best Literary papers published, said, August 25—

"*Dr. Hoofland's German Bitters*, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect that they have upon weak systems."

Judge M. M. Noah, a gentleman of great literary and scientific attainments, said in his "New York Weekly Messenger, January 6, 1850.

"*Dr Hofland's German Bitters.*—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians of modern times, the late Dr Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of *humbug*, and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The Philadelphia Saturday Gazette, the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony in its favor*, is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in *all bilious diseases*; the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. W. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.*

Purify the Blood.

The best Family Medicine now before the public.

It has been computed, that during the last twenty years, three millions of persons have annually been benefited by the use of these Medicines; a fact which speaks volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimation of every patient. By their use the blood is restored to a pure and healthy state, freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure. The afflicted have in Moffat's Life Pills and Phœnix Bitters, a remedy that will do for them all that medicine can possibly effect.

The genuine of these medicines are now put up with a fine steel engraved wrapper and labels, and copy right secured according to the laws of the United States.

OLIVER & PROCTER,
See R. R. R. R

WE are now receiving and opening at our "Grand Emporium of Taste, Fashion and Elegance," Ugly Row, opposite Lougee's, one door above Litchford's, and hard by Towle's and Primrose's, a choice selection of vernal and solstitial Fabricks for male attire, embracing every color and variety, of which the following are a part:

Black, blue, olive green, brown Dahlia and Zephyr Clothes, Drap d'ete and Cashmeretts, all colors, for Summer coats. Black, single milled doe skin and fancy French Cassimeres of every variety white and colored, entirely new and very beautiful. Plain white and Buff Marcella; Figured Satins, Silks and Shally Vestings. All of these goods were selected by "The Bugg," in person, from the latest importations and can be confidently recommended to our friends and patrons as being precisely "The Things" for Spring and Summer costumery.

THE EXPRESS TRAIN.

Oh, where are the words that can truly impress
The pleasure we feel when we're off by express
The Steam King is up, and the whistle is heard
The bell gives the signal, we're off like a bird,
Through mountains and valleys, right onward we press,
Hurrah! then hurrah! we are off by express.

Our flight's like the eagles, as fearless and brave;
The flag tells of safety as gaily it waves,
The rails are all clear, and the Monarch's ahead;
See forth from his nostrils the deep glare of red;
Still onward and onward we gallantly press,
Hurrah! then hurrah! we are off by express.

Towns, cities and hamlets, have passed in review
Like some diorama of beautiful hue.
Our journey's accomplished, safe, safe as a dart,
Our frame not fatigued, nor oppressed is the heart.
With fire and spirit right onward we press,
Hurrah! then hurrah! we are safe by express.

What applies to the rails is in commerce the same
And hence 'Bugg's' greatness, and hence 'Bugg's fame,
Express is his motto; in matters of dress,
Receives all his fashions and models by express.
All the qualifications the 'Bugg' does possess,
To outstrip all 'slow trains'—thus he wins by expre
Expressly his fabrics are made for this mart,
Expressly he nurtures his cutters of art;
Expressly for him the best workmen's retained,
Expressly for all such prime clothes he's sustained
Expressly to please you, his efforts progress,
Expressly in beauty and cheapness of dress.

L. H. MILLER & CO.

IMPORTERS, Manufacturers and Jobbers of WATCH, JEWELRY & FANCY GOODS, have leased the Old Stand, formerly occupied by Messrs Canfield, Brother & Co. SOUTH EAST CORNER OF CHARLES AND BALTIMORE STREETS, (No. 227,) which they are putting in complete order for the WHOLESALE WATCH & JEWELRY BUSINESS, to be opened about the 20th of July.

In calling the attention of the trade to the new concern, we mention the fact that we are associated with one of the most extensive JEWELRY MANUFACTURING ESTABLISHMENTS in the country, which must give a decided advantage over all others in this market, for supplying dealers with Jewelry at manufacturers' prices, a feature in this branch of trade long since needed, between Baltimore and the Southern and Western merchants.

We desire to call particular attention to the Watch department, which will at all times be supplied with a great assortment from the most celebrated manufacturers, and kept in perfect running order, so that purchasers may at once take them with a written guarantee that they will perform correctly.

This branch of the business will receive the especial attention of one of the firm, whose extensive and practical knowledge of the business, will, we hope, give us a place in the confidence of buyers.

We respectfully invite you to call upon us when you next visit our city, confidently believing that an examination of our Goods will prove to you, that they are better styles and cheaper than you have ever seen in this market, and assure you that no effort shall be wanting on our part to make the acquaintance one of mutual benefit.

THE Undersigned would respectfully inform those engaged in the Milling business in North Carolina, that he keeps constantly on hand, and will supply at the shortest notice, that almost invaluable article,

YOUNG'S IMPROVED PATENT SMUT AND SCREENING MACHINE

The only Machine of the kind that has stood the test and given satisfaction to the public. It has surplanted every Smut Machine yet offered in the State, more or less of which have been taken down to make room for it. The public need fear no imposition, as there are now some 290 Machines running in North Carolina; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realised in their performance. It not only thoroughly cleanses the Wheat of Smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the mill and requires but little power. It is warranted for five years against breaking or wearing out, and also to retain its cleansing qualities for that time.

There are a number of these Machines through which 100,000 bushels of Wheat have been cleansed and they have never been out of order one day.

There was awarded to it the Premium of the Maryland State Fair, and a Premium with a silver medal, at the Fair of the Maryland Institute, at Baltimore, last Fall.

For the Removal and Permanent Cure of all
NERVOUS DISEASES,
And of those Complaints which are caused by an impaired or unbalanced condition of the
NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been proposed by distinguished physicians, both in Europe and the United States, to be the *most scientific medicinal discovery of the Age.*

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,
is used with the most perfect and certain success in all cases of
GENERAL DEBILITY,
Strengthening the weakened body, giving tone to the vellous organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DISEASES OF THE KIDNEYS, NERVOUS HEADACHE, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the URINARY ORGANS, DEFICIENCY OF NERVOUS or PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while under the strengthening life-giving, vitalising influence of Galvanism, as applied by Bursting or Roaring in the Ears, Deafness, which is caused by Nervous, and that distressed complaint,
