DR. HOGELAND'S Celebrated German Bitters PREPARED BY Dr. C. M. Jackson,

AT THE GERMAN MEDICINE STORE, No, 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if emulted by any other preparation in the United Sintes as the cures attest, in many cases after skilal physicians had finled. These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections

READ AND BE CONVINCED. [From the "Boston Bee."]

The Editor said. Dec. 22d. Dr Hoodowl's Celebrated German Butters, for the egr- of Liver Complaint, Jaundice, Dyspepsia Chronic or Nervous Debility, is deservedly one of e most popular medicines of the day. These Bit ters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permin-at care of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideralion They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances -We are speaking from experience, and to the af-Leted we advise their use."

"Scott's WERKLY," one of the best Literary papers published, said, August 25-"Dr. Hookand's German Batters, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters alvantageous to their health as we

have upon weak systems." Judge M. M. Noah, a gentleman of great literary and scientific attainments, said in his " New

York Weekly Messenger, January 6, 1850. "Dr Hoffund's German Batters -- Here is a pre paration which the leading presses in the Union appear to be unanimous in recommending. and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians o m dern times, the late Dr Christopher Wilhelm Hooft ad Professor to the University of Jena, Pri vite Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of humbug. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. de specially recommended it in Liver Complaint. Dyspensia, Debility, Vertigo, Acidity of the Stom sch, Coustipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia pipers express their conviction of its excellence, and several of the editors peak of its effects from their own individval experience. Under these circumstances we feel Warranted, not only in calling the attention of our tenders to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article

MORE EVIDENCE. The PHILADELPHIA SATURDAY GAZETTE, the best family newspaper published in the United States

the editor says of

DR. HOOFLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hosfim'l's German Bitters, we wish it to be distinctly understool that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself." Evidence upon evidence has been received (like

the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its Ater, is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined-a fact that can be easily established, and fully proving that a scientive preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the s'omach and hver, it is preferable to calomel in all bilious dissases; the effect is immediate. They can be administered to FEMALE OF INFANT with sufery and relable benefit, at any time.

For the Removal and Permanent Cure of all NERVOUS DISEASES, those Complaints which are caused by an impaired weakoned or unhealthy condition of the

NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been prenounced by distinguished physicians, both in Europe and the United States, to be the most rainable medicinal discovery of

from one simple came - namely, A Derangement of the Nervous System. Of in NKRVOUS COMPLAINTS, Drugs and Medicines mercare the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strengthenicity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, consists, in the fact that they arrest end cure disease by out was damplication, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly. under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nerv yes Complaints, have been ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else hen tried in usin!

To illustrate the use of the GALVANIC BELT, suppose
the case of a person afflicted with that bene of civilization,
DVSPLTSIA or any other Chronic or Nervous Disorder. In
ordinary cases, stimulants are taken, which, by their action on

he nerves and muscles of the stomach, afford temperary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most savere cases of DYSPEPSIA are PERIMANENTLY CURED. A FEW DAYS. faculties, after the action thus excited has ceased. Now com DYSPETSIA SPETERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE

CERTIFICATES AND TESTIMONIALS Of the most Undoubted Character, From all parts of the Country could be given, sufficient to fill AN EXTRAORDINARY CASE, which conclusively proves that

"Truth is stranger than Fiction." CURE OF RHEUMATISM, BRONCHITIS AND BYSPEPSIA. Rev. Dr. Landis, a Clergyman of New Jersey, of distinguished attainments and exalted

Sinvey, New Jersey, July 12, 1848. DR. A. H. CHRISTIE-DERT SIT: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My roply is as follows:

For about twenty years I had been suffering from Dyspetsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheuma tism, which for year after year, caused me indescribable anguish. Farther: in the winter of 45 and 46 in consequence of preaching a great deal ir my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suswhich soon became so sovere as to require an immediate suspension of my pastoral labors. My nervous system was new
thoroughly prestrated, and as my Bronchitis became worse, so
also did my Dyspepsia and Rheumatic affection—thus eviacing
that these disorders were connected with each other through
the medium of the Nervous System. In the whole pharmacopens there seemed to be no remedial agent which coulsseed and converte my Nervous System. reach and recuperate my Nervous System; every thing that I had tried for this purpose had completely failed. At last was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BLATAND NECKLACE, with the MAGNETIC FLUID. This was IN JUNE, 1846. TO MY GREAT ASTOVISHMENT, IN TWO BARS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS KNABLED TO RESUME MY PASTORAL LABORS; NOR HAVE I SINCE OMITTED A BINGLE SERVICE OF ACCOUNT OF THE BRONCHITIS; AND MY RHEVMATIC AFFECTION HAS ENTIRELY CEASED TO TROPBLE ME. Such is the wonderful and happy results of the experiment.

I have recommended the BELT and FILUED to many who have been likewise suffering from Neuralgic affections. They have tried them, with happy besults, I believe, in executions.

I am, dear sir, very respectfully yours, ROBERT W. LANDIS DR. CHRISTIE'S GALVANIC NECKLACE mused for all complaints affecting the Throat or Head, such as Bronchitis. Inflammation of the Throat, Nervous and Sick Headache, Dizziness of the Head, Neuralgia in the Face Buzzing or Roaring in the Ears, Deafners, which is generally Nervous, and that distressed complaint, called Tie Deloreux.

Palsy and Paralysis. All physicians acknowledge that these terrible diseases are caused by a deficiency of Nervens Energy in the affected limbs. Ds. Christie's tislumic Articles will supply this deficient power, and a complete and entire cure is thus enested.

QG- CAT. ANDREW J. F. Toxes of Brooklyn, N. Y., had not been able to walk a step for near four years, and was so help-less that he had to be fed. The most celebrated physicians gave him up. In five days after he commenced wearing the GALVANIC BELT, NECKLACK, AND BRACKLETS, he wolked across the room, and in three weeks he had perfectly recovered his health. Captain Tomes is seventy years of ege. Severe Deafness Cured.

The following is an extract from a letter lately received from a distinguished physician in the State of Virginia: "A. H. Christie, M. D.—Dear Sir: One of my patients, unknown to me, obtained your Galvanic Belt and Necklace, with the Magnetic Fluid, for a serious affection of Denfuesa. The case was that of a lady whose Nervous system was much disordered, and her general health poor. Much was done previously to the application of the Belt, but with very little success, and I feel it only right to tell you, that since she commenced wearing the Belt and using the Fluid, but a few weeks ago, she has ENTIRELY RECOVERED HER HEARING, and her general health is better than for several years." 60- Every case of Deafness, if it be Nervous, as it generally a can be cured by this wonderful remedy.
