CAN BE EFFECTUALLY CURED,

DR. HOSFLAND'S Celebrated German Bitters PREPARED BY Dr. C. M. Jackson,

AT THE GERMAN MEDICINE STORE, No, 120, Arch Street,

Philadelphia. Their power over the above diseases is not excelled, if equalled by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED. [From the "Boston Bee."] The Editor said. Dec. 22d.

"Dr Hoofand's Celebrated German Bitters, for the care of Liver Complaint, Jaundice, Dyspepsia. Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the this City or State, mineral door knobs, screw, mause of this remedy. We are convinced that, in the hogany and pearl white door knobs, mineral drawuse of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances .-We are speaking from experience, and to the afflicted we advise their use." "Scott's WEEKLY," one of the best Literary

papers published. said, August 25-"Dr. Hooftand's German Bitters, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we

have upon weak systems." Judge M. M. Noan, a gentleman of great literary and scientific attainments, said in his " New York Weekly Messenger, January 6, 1850.

"Dr. Hoftand's German Butters .- Here is a preparation which the leading presses in the Union give satisfaction. appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians of modern times, the late Dr Christopher Wilhelm | pentine Distilleries. Hooffand, Professor to the University of Jena, Pri vate Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of humbug. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stom ach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia pipers express their conviction of its excellence, and several of the editors peak of its effects from their own individual experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE. The PHILADEEPHIA SATURDAY GAZETTE, the best family newspaper published in the United States

Baltimore, August 2nd, 1851. the editor says of DR. HOOFLAND'S GERMAN BITTERS: " It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend HIS Company continues to insure the lives of

Dr Hoefland's German Bitters, we wish it to be distinctly understood that we are not speaking or the nostrums of the day, that are noised about for a brief period and then forgotten after they have Slaves are insured for a term of one to five years for done their guilty race of mischief, but of a medicine ds their value. long established, universally prized, and which has met the hearty approval of the faculty itself." Evidence upon evidence has been received (like

the foregoing) from all sections of the Union, the last three years, and the strongest testimany in its Arer, is, that there is more of it used in the practies of the regular physicians of Philadelphia, than all other nostrums combined-a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver it is preferable to calomel in all bilious disuses the effect is immediate. They can be administered to FEMALE OF INFANT With safety and feliable benefit, at any time.
