DR. HOUFLAND'S Celebrated German Bitters PREPARED BY Dr. C. M. Jackson,

AT THE GERMAN MEDICINE STORE, No, 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled by any other preparation in the United Rates, as the cures attest, in many cases after skilful physicians, had failed. These Bitters are worthy the attention of invalids.

Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED. [From the "Boston Bee."] The Editor said. Dec. 22d.

"Dr Hoofland's Celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia. Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands. and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient coustantly gains strength and vigor, a fact worthy of great consider-They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances .-We are speaking from experience, and to the afficted we advise their use." "Scort's WEEKLY," one of the best Literary

papers published, said, August 25-Dr. Hooftand's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the incuity, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to ebtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their bealth as we have upon weak systems."

know from experience the salutary effect that they Judge M. M. Noah, a gentleman of great literary and scientific attainments, said in his " New York Weekly Messenger, January 6, 1850. "Dr. Hoftand's German Butters .- Here is a preparation which the leading presses in the Union

appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians modern times, the late Dr Christopher Wilhelm Hoofiand, Professor to the University of Jens, Pri vate Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of humbug. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stom ach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors peak of its effects from their own individus experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article

the editor says of DR. HOOPLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed

Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hoefland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have some their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its fiver, is, that there is more of it used in the practies of the regular physicians of Philadelphia, than all other nostrums combined—a fact that' can be saily established, and fully proving that a scientiue preparation will meet with their quiet approval

when presented even in this form. That this medicine will cure Liver Complaint and Dyspensia, no one can doubt, after using it as sirected. It acts specifically upon the stomach and iver; it is preferable to calomel in all bilious dis-Miss; the effect is immediate. They can be administered to FEMALE OF INFART With safety and

reliable benefit, at any time. BEWARE OF COUNTERFEITS. This medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

GEO. T. COOKE. August 29th, 1851. NEVER BE WITHOUT IT. certain is the fact that Dr Little's Vermifuge will relieve children from worms, i they have them, that hundreds of families new do not pretend to do without it. It is also true, that children are frequently physicked for several days, without much improvement; when this remedy has been used they have gotten well immediately. For all bowel complaints the Vermifuge is excellent, and if at all dependent on worms, as it often is, it is a sure cure at once. When children are pale or lan

guid, attended with the usual symptoms of bad health, nothing more is necessary than to give this remedy a few times in order to restore them. The following statements have just been received: AMERICUS, MAY, 1849 As I have used Dr. Little's Vermifuge in my family. I take pleasure in saying I have found it to be supplied with any kind, at the shortest notice. Also a most excellent remedy for worms. In one case

it caused the expulsion of forty-two, and some of them were over a foot long.

Jonathan Stanford. Having used Dr. Little's Vermifuge, I am enabled to say, that it is a very excellent remedy to cure

children of worms. (Signed) When a child is loaded with worms, or prostrated with their effects, it is not always safe, by any means, to give calomel, because it excites too much is perfectly safe, and produces no such excitement, is much more destructive to worms, and at the same

time gradually expels them.

Talbot County, Sep., 1848. DR. LITTLE-Sir: In a few cases, I have given your Vermiluge to children when they were puny, had breath, enlarged abdomen, fever occasionally, &c., and the result was, they soon got well, although no worms were discharged-giving this medicine occasionally, I find, makes children more healthy Respectfully yours, &c.
