DR. HODYLAND'S Celebrated German Bitters PREPARED BY

Dr. C. M. Jackson, AT THE GERMAN MEDICINE STORE,

Philadelphia. Their power over the above diseases is not excelled, if equalled by any other preparation in the United States, as the cures attest, in many cases after skil-

tul physicians had fulled. These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of disof the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED. [From the "Boston Bee."]

The Editor said. Dec. 22d. Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands. and a friend at our cibow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances - butt hinges and superior cast butt hinges, curtain We are speaking from experience, and to the afficted we advise their use." "Scott's Whekly," one of the best Literary

papers published, said, August 25-Dr. Hooffand's German Bitters, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to ebtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect that they

have upon weak systems." Judge M. M. Noah, a gentleman of great literary and scientific attainments, said in his " New York Weekly Messenger, January 6, 1850.

" Dr. Hofland's German Butters .- Here is a preparation which the leading presses in the Unionappear to be unanimous in recommending. and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians o' m dern times, the late Dr Christopher Wilhelm Hoofind. Professor to the University of Jena, Pri vate Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors peak of its effects from their own individtel experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE. The PHILADELPHIA SATURDAY GAZETTE, the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed four realers; and, therefore, when we recommend

Dr Hoeffind's German Bitters, we wish it to be distinctly understool that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself." Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the

last three years, and the strongest testimony in its tree, is, that there is more of it used in the pracall other nostrums combined-a fact that can be essily established, and fully proving that a scientiuc preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as saires; the effect is immediate. They can be administered to FEMALE OF INFANT With safety and reliable benefit, at any time.
