CAN BE EFFECTUALLY CURED, $\mathbf{B}\mathbf{Y}$ DR. ROSPLAND'S Celebrated German Bitters

PREPARED BY Dr. C. M. Jackson, AT THE

GERMAN MEDICINE STORE, No, 120, Aich Street, Philadelphia. Their power over the above diseases is not excelled, if

equalled by any other preparation in the United States, as the cures attest, in many cases after skil. ful physicians had furled.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

cure of Liver Complaint, Jaundice, Dyspensis. Chronic or Nervous Debility, is deservedly one or the most popular medicines of the day. These Bituse of this remedy We are convinced that, in the use of these Bitters, the patient constantly gainstrength and vigor, a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances -We are speaking from experience, and to the afflicted we advise their use."

"Scort's WEEKLY," one of the best Literary papers published, said, August 25-Dr. Hoofand's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickpess. Persons of debilitated constitutions will find these Bitters advantageous to their bealth as we know from experience the salutary effect that they have upon weak systems."

Judge M. M. Noah, a gentleman of great literary and scientific attainments, said in his " New York Weekly Messenger, January 6, 1850.

Dr. Hoffand's Germin Butters .- Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription of m dern times, the late Dr Christopher Wilhelm Hooffand, Professor to the University of Jena, Pri vate Physician to the King of Prussis, and one of the greatest medical writers Germany bas ever produced He was emphatically the enemy of humbug. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. Haspecially recommended it in Liver Complaint. Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the investines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors peak of its effects from their own individual experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE. The PHILADELPHIA SATURDAY GAZETTE, the best family newspaper published in the United States,

the editor says of DR. HOOFLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed

Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hoefland's German Bitters, we wish it to be distinctly understool that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself." Evidence upon evidence has been received (like

the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its farer, is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined-a fact that can be easily established, and fully proving that a scientide preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint ed Dyspepsia, no one can doubt, after using it as ated. It acts specifically upon the stomach and liver; it is oreferable to calomel in all bilious diswer, the effect is immediate. They can be administered to FEM LE OF INFANT With safety and celiable benefit, at any time.

BEWARE OF COUNTERFEITS. This medicine has attained that high character This medicine has attain dicines to attain, to which is necessary for all midicines to attain, to induce counterfeiters to put forth a spurious article induced to the spurious article indu at the risk of the lives of those who are innocently

NEVER BE WITHOUT IT. O certain is the fact that Dr Little's Ver-mirage will relieve children from worms, if they have them, that hundreds of families new do not pretend to do without it. It is also true, that children are frequently physicked for several days, Backgammen Boards, Steel Pens, Gilt, Steel, Gloss without much improvement ; when this remedy has been used they have gotten well immediately. For all bowel complaints he Vermifuge is excellent, and if at all dependent on worms, as it often is, it is a sure cure at once. When children are pale or lan guid, attended with the usual symptoms of bad health, nothing more is necessary than to give this remedy a few times in order to restore them.

The following statements have just been received: AMERICUS, MAY, 1849 As I have used Dr. Little's Vermifuge in my family, I take pleasure in saying I have found it to be a most excellent remedy for worms. In one case them were over a foot long.
