The Editor says, Dec. 24.

"Dr. Hoofland's Celebrated German Bitters, for the  
cure of Liver Complaint, Jaundice, Dyspepsia,  
Chronic or Nervous Debility, is deservedly one of the  
most popular medicines of the day. These Bitters  
have been used by thousands, and a friend at  
our elbow says he has himself received an effective  
and permanent cure of Liver Complaint from the  
use of these Bitters. We are convinced that the  
use of these Bitters, for the cure of Liver Com-  
plaint, is a fact worthy of great consideration.  
They are pleasant in taste and smell, and  
can be used by persons with the most delicate  
stomachs with safety under any circumstances."  
We are speaking from experience, and to the af-  
fected we advise their use."

The Editor says, Dec. 24.

"Dr. Hoofland's German Bitters, manufactured  
by Dr. Jackson, are not only one of the most  
valuable medicines of the day, but also one of  
the most prominent members of the family, as  
articles of much efficiency in case of female weakness  
as in the case of men. We would advise all mothers  
to keep a bottle of this medicine, and when their  
children are afflicted with any of the above dis-  
eases, to give them a few drops of these Bitters.  
They are pleasant in taste and smell, and  
can be used by persons with the most delicate  
stomachs with safety under any circumstances."

NEVER BE WITHOUT IT.  
So certain is the fact that Dr. Little's Ver-  
mifuge will relieve children from worms, if  
they have them, that it is now so generally  
known, that it is not necessary to say more.  
It is a safe and reliable remedy, and it is  
without much improvement; when this remedy has  
been used, they have gotten well immediately. For  
all bowel complaints the Vermifuge is the best, and  
if at all dependent on worms, as it often is, it is a  
sure cure at once. When children are pale or lag-  
ging, attended with the usual symptoms of bad  
health, nothing more is necessary than to give this  
remedy, a few times, and the children will be well.  
The following statements have just been received:  
AMERICA, May, 1849.As I have used Dr. Little's Vermifuge in my fam-  
ily, I take pleasure in saying I have found it to be  
a most reliable remedy for worms. In one case  
it caused the expulsion of forty-two, some of  
them were over a foot long.Having used Dr. Little's Vermifuge, I am em-  
bold to say, that it is a very excellent remedy to cure  
children of worms.

## (Signed) Wm. B. GURRY.

When a child is loaded with worms, or prostrated  
with their effects, it is not always safe, by any  
means, to give cathartics, because it excites too much  
action, and together with the displacement of the  
worms, will often sink a child before much else can  
be done for it. On the other hand, my Vermifuge  
is perfectly safe, and produces such excitement,  
it is much more destructive to worms, and at the same  
time gradually expels them.

## Tribute County, Sep. 1849.

Dr. Little—Sir: In a few cases, I have given  
your Vermifuge to children when they were puny  
razors, morose, enlarged abdomen, fever occasionally  
&c., and the result was, they soon got well, although  
no worms were discharged—giving this medicine  
occasionally, I find, makes children more healthy.  
Respectfully yours,  
M. T. HOLLS.
