papers published, said, August 25-Dr. Hooflond's German Buters, manufactured by Dr. Jackson, are now recommended by some of

ary and scientific attainments, said in his " New "Dr Hoftand's German Butters .- Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians and pistols made to order Also, strainers for Turmodern times, the late Dr Christopher Wilhelm Hoofland, Professor to the University of Jena, Pri vate Physician to the King of Prussa, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of humbug. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stom-

family newspaper published in the United States, the editor says of DR. HOOFLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage shortly, owing to the "increasing scarcity" of that distinctly understood that we are not speaking of the nostrums of the day, that are noised about for business. He can be found at his residence on s brief period and then forgotten after they have done their guilty race of mischief, but of a medicine ong established, universally prized, and which has met the hearty approval of the faculty itself."

ties of the regular physicians of Philadelphia, than all other nostroms combined-a fact that can be easily established, and fully proving that a scientiue preparation will meet with their quiet approval That this medicine will cure Liver Complaint

This medicine has attained that high character
