DR. HODYLAND'S Celebrated German Bitters PREPARED BY Dr. C. M. Jackson,

AT THE GERMAN MEDICINE STORE, No, 120, Arch Street,

Philadelphia. Their power over the above diseases is not excelled, if equalled by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had fuiled.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED. [From the "Boston Bee."] The Editor said. Dec. 22d.

Dr Hooftand's Celebrated German Bitters, for the | with white mineral knobs, plate locks, smoke-house eure of Liver Complaint, Jaun lice, Dyspepsia locks, mortice closet locks with brass fronts, chest Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at Bolwin's night latch, improved bow latches, cup- brellas, Trunks, Carpet Bags, de, de. our elbow says he has himself received an effectual | board lock latches, porcelain knobs, the best ever in and permanent cure of Liver Complaint from the use of this remedy We are convinced that, in the hogany and poset white door knobs, mineral draw. prices, which will render it unnecessary to go faruse of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances - butt hinges and superior cast butt hinges, curtain We are speaking from experience, and to the afflicted we advise their use " "Scort's WEEKLY," one of the best Literary

papers published, said, August 25-Dr. Hooftand's German Butters, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutious will find these Bitters advantageous to their health as we know from experience the salutary effect that they riage bands, patent leather hub bands, power loom have upon weak systems."

Judge M. M. Noan, a gentleman of great literary and scientific attainments, said in his " New York Weekly Messenger, January 6, 1850.

" Dr Hoffand's German Butters .- Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians and pistols made to order Also, strainers for l'urof modern times, the late Dr Christopher Wilhelm Hooffand. Professor to the University of Jena, Pri vate Physician to the King of Psussia, and one of the greatest medical writers Germany has ever produced. He was emphasically the enemy of humbug. he will give it up. and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors peak of its effects from their own individval experience. Under these circumstances we fee! warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommending the article miles westward on the Chapel Hill road, begs leave to all afflicted."

MORE EVIDENCE. The PHILADELPHIA SATURDAY GAZETTE, the best family newspaper published in the United States

DR. HOOPLAND'S GERMAN BITTERS. " It is seldom that we recommend what are termed Patent Medicines to the confidence and patrouage of our readers; and, therefore, when we recommend Dr Hoeffand's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its parer, is, that there is more of it used in the practice of the regular physicians of Philadelphia, than ail other nostrums combined-a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases; the effect is immediate.
