DR. HOOFLAND'S

Celebrated German Bitters

PREPARED BY

Dr. C. M. Jackson,

AT THE

GERMAN MEDICINE STORE,

No, 120, Arch Street,

Philadelphia.

Their power over the above diseases is not excelled, if equalled by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weaknesses and affections of the digestive organs, they are withal, safe, certain, and pleasant.

READ AND BE CONVINCED.

[From the "Boston Bee."]

The Editor said. Dec. 22d.

"*Dr Hoofland's Celebrated German Bitters*, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances.—We are speaking from experience, and to the afflicted we advise their use."

"SCOTT'S WEEKLY," one of the best Literary papers published. said, August 25—

"*Dr. Hoofland's German Bitters*, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in case of female weakness As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health as we know from experience the salutary effect that they have upon weak systems."

Judge M. M. NOAH, a gentleman of great literary and scientific attainments, said in his "New York Weekly Messenger, January 6, 1850.

"*Dr. Hoofland's German Bitters.*—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a proscription furnished by one of the most celebrated physicians of modern times, the late Dr Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced He was emphatically the enemy of *humbug*, and therefore a medicine of which he was the inventer and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation and all complaints arising from a disordered condition of the stomach, the Liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors peak of its effects from their own individual experience. Under these circumstances we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M Jackson's) preparation, but in recommeading the article to all afflicted."

MORE EVIDENCE.

The PHILADELPHIA SATURDAY GAZETTE, the best family newspaper published in the United States. the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony in its favor*, is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined—a fact that can be easily established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in *all bilious diseases*; the effect is immediate. They can be administered to FEMALE OR INFANT with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain, to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. W. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.*

HODGE; IS THE BRIDGE DONE?

THE undersigned, having removed from the "City of Oaks," contrary to the wishes of its citizens, to his delightful villa, Waverly, three miles westward on the Chapel Hill road, begs leave to inform the Public, that he wishes to purchase a "few more" of the likely "sons and daughters of Ethiopia," for which he will pay the HIGHEST CASH prices.

As the corn crop is short, bacon high, and SUGATS VERY SCARCE, he would advise all those having a surplus of Blacks on hand, to dispose of *them now*, for the probability is, they will depreciate in value shortly, owing to the "*increasing scarcity*" of that useful commodity, *Cash*. Persons wishing to sell, are requested to give me a call, or make application to W. F. Askew, who is associated with me in business. He can be found at his residence on Fayetteville street, Raleigh.

Important to

MILLERS AND MILL-OWNERS!

THE Undersigned would respectfully inform those engaged in the Milling business in North Carolina, that he keeps constantly on hand, and will supply at the shortest notice, that almost invaluable article,

YOUNG'S IMPROVED PATENT SMUT AND SCREENING MACHINE

The only Machine of the kind that has stood the test and given satisfaction to the public. It has surplanted every Smut Machine yet offered in the State, more or less of which have been taken down to make room for it. The public need fear no imposition, as there are now some 280 Machines running in North Carolina; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat of Smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the mill and requires but little power. It is warranted for five years against breaking or wearing out, and also to retain its cleansing qualities for that time.

There are a number of these Machines through which 100,000 bushels of Wheat have been cleansed and they have never been out of order one day.

There was awarded to it the Premium of the Maryland State Fair, and a Premium with a silver medal, at the Fair of the Maryland Institute, at Baltimore, last Fall.
