WILLIAM EATON, (Author of Eaton's Forms) says : "I have examined, with care, a considerable portion of the work, and it affords me pleasure to express my very favorable opinion as to its merits. * * The plan of your Dispert, I regard as an excellent one, and I appreciate, very highly, the learning, skill, taste and accuracy which you have exhibited in its execution. The work will be exceedingly convenient and useful, both to the Bar and Bench, and I hope that its patronage may be equal to its deserts. Chief Justice PEARSON and Judge READE, of the Su preme Court, say:
We have had, in use, ever since its publication. last Fall, your admirable Digest of the decisions of the Su-preme Court of North Carolina, from the foundation of the Court until this time. The arrangement is convenient and the abstracts accurate; and we and the profes-

sion are under many obligations to you. We regard it as indispensable to the profession in this State. It should be in the library of every Lawyer,"

From Judge P. P. Morris, Philadelphia.:

"I have looked over the Digest with great interest, and find it remarkable for the precision with which the point decided is stated, and for the assistance afforded the enquirer by the numerous heads introduced. The work is of interest to all Law Students and be must inval-

The Ætna gives with each policy a general permit to travel or reside in any of the United States WITHOUT EXTRA CHARGE. Dividends last paid were 50 per cent. Let it be remembered that they are declared and applied

after the 2nd year in the

ÆTNA STOCK COMPANY. This is the largest Dividend paid by any Company, not excepting the largest Company in the world-"so-called." Dividends in the Connecticut Mutual are declared and paid four years after payment of

premium, 60 per cent. Of course 50 per cent. in

two years is better than 60 in four years. The unexampled success of the ÆTNA is apparent by a moments reflection. 1st. Being a Stock Company and the Insured not being liable to any assessment at any time. 2nd. The liberality of rates and general permit. 3rd. The prompt manner in paying losses. 4th. In never refusing to reinstate any single

Policy that lapsed during the war. 5th, In not arrogating to herself that "none others are so safe, reliable, prompt and liberal." There are several other first class Companies in the land, but none superior to the ÆTNA.
