> CAN THE NOTE BE ASSESSED AS IN A MUTUAL The entire profits on the Participating Plan, except 6 per cent. on the Capital Stock, \$150,000,

belong to the insured, and are divided among hem annually after the second year. gives to the Insured all the benefits of Dividends, and none of the Liabilities usual in a

Mutual Company. The Ætna gives with each policy a general permit to travel or reside in any of the United States WITHOUT EXTRA CHARGE. Dividends last paid were 50 per cent. Let it remembered that they are declared and applied

after the 2nd year in the ÆTNA STOCK COMPANY.

This is the largest Dividend paid by any Comeany, not excepting the largest Company in the Dividends in the Connecticut Mutual are declared and paid four years after payment of premium, 60 per cent. Of course 50 per cent. in wo years is better than 60 in four years.

The unexampled success of the ÆTNA is apparent by a moments reflection. 1st. Being a Stock Company and the Insured not being liable to any assessment at any time. 2nd. The liberality of rates and general permit. 3rd. The prompt manner in paying losses. 4th. In never refusing to reinstate any single Policy that lapsed during the war. 5th. In not arrogating to herself that " none others are so safe, reliable, prompt and liberal."
