to all the Northern Markets, and have successfully worked the Line to the entire satisfaction of Shippers, North and South, for the last ten years, as the Tan Thousand Shippers in North and South Carolina will testify. We paid the State near Seven Hundred Thousand Dollars for her Interest in this Road—thereby saving the people from Taxation, for all time to come, \$40,000 per year; and we unhesitatingly declare that we can and will give more dispatch to all points, North and South, than any other Line.
