# WESTERN OHRONICLE, Lincolnton, North Carolina.

The loyal Union party of Western North Carolina have long felt the need of a thoroughly loval Republican paper, to advocate their claims and contend for that freedom of speech so long denied us by the enemies of the Union, who, when their cause failed, scarcely hoped that their lives would be spared, now encouraged by the "policy" USEFUL AND MISCELLANEOUS of Andrew Johnson, use every means in their power, by falsehood and misrepresentation, to make our friends in Congress believe that no loyal element exists in the State, and that a general amnesty is necessary to insure peace and quiet to our section; while the truth is, it would be the initiatory step to scenes of crime and bloodshed. The people, we say, of the Western portion of the State have long suffered in public opinion for the want of a sound, unbiased loyal press to refute these vile slanders and hurl back the abusive epithets bestowed upon us. We propose to supply the desideratum, and carnestly ask the co-operation of every true lover of his country in our efforts to aid in securing peace, justice, liberty and equality to all deserving those inestimable privileges. Let every man put his shoulder to the wheel, and we shall soon see again the laws of our country obeyed and its supporters honored, instead of the open grumbling and undisguised hatred of that particular class of rebels, who, while supporting with all their influence the cause of their mistaken and ambitious leaders, yet took very good care to get themselves into fat offices somewhere in the rear of the contending armies.

In the absence of ready money with which to embark in the enterprise, we propose to our fel-low-citizens, one and all, the following plan by which a paper can be established: Let every man subscribe and exert himself to the utmost to obtain subscribers and the money in advance, CHITTY'S BLACKSTONE. and as soon as we get 500 names with the accompanying \$2 each, we shall at once purchase the requisite material, new from the foundry, and, at the earliest possible day, issue the first number of the paper. We have conversed with several prominent gentlemen, and have received assurances of their aid and support. Let every man do his part, and the work is accomplished.

The paper will be called the WESTERN CHRONICLE, and will be a thoroughly Union Journal, and a staunch supporter of Republican principles. It will be mailed to subscribers at the ow rate of Two Dollars per annum, which was the old-time price of a weekly newspaper. We place it thus low that every family may take one of their own, and not depend on borrowing their neighbor's, as well as to encourage our colored citizens, who now have equal rights before the law, to know and understand the events that are transpiring around them, and whose duty it is to

see and read for themselves. We pledge that the Chronicle shall be a paper that every man may read with profit to himself, both white and black, if they love their country and her laws. The Publishers, being practical printers, guarantee the general appearance of the paper, while the Editorial Department will reflect whatever judgment and ability they may possess. We ask the friends of Law and Order to interest themselves in behalf of this enterprise. Send in as many names as possible immediately, so as to issue the first number at an early day. LAWRENCE—Dear SIT:—Please send 'me immediately per Express to Tarboro, two dozen more bottles of your Rosadalis. I have carefully examined its Formula, and have used it in my practice in a mimber of cases. I am well pleased with it. I think it, beyond doubt the best Alterative I ever used. I have tried it in several cases of Scrofula and Scrofulous Affections, &c., with much satisfaction to myself and patients. I have also used it in Secondary and Tertiary Syphilis, [one a terrible case of eight years' standing,] in which it acted with surprising and satisfactory effect—making a quick and and thorough cure I have, therefore, no hesitation in recommending it to Physicians and others, as the most reliable Alterative now known.

Rosadulis Cures Carbuncles, Boils, Pimples, &c. CERTIFICATE FROM AN OLD AND MUCH RES-PECTED CITIZEN OF GREENE COUNTY, NOW

I hereby certify that, during the summer and fall of 1866 I was severely afflicted with Carbuncles—having had as many as fourteen large Carbuncies, and twelve ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try Dr. Lawrence's Rosadalis, I was entirely cured by the use of one bottle of that truly valuable medicine.

W. A. BARDEN, SR. Wilson, May 11th, 1967.

Consumption, in its Early Stages can be cured. BALTIMORE, Md., March 4th, 1867.

Dear Dr. Lawrence: - My daugter having been cured of a deeply seated disease of the lungs by your Rosadalis, I feel it my duty to make the fact known to you for the benefit of others. She suffered nearly two years with a benefit of others. She suffered nearly two years with a hard cough, which troubled her day and night; at last the emaciated form, glassy eye, night sweats, together with the cough, told too plainly that it was Consumption, beyond question, eating at her vitals. Our Physician's remedies brought no relief. She was advised to try your Rosadsils, as a tonic—which she did—imagine my surprise and gratification, when I found her appetite returning. Slowly she regalised her strength, her cough and night sweat gradually cased and she is now after and night sweats gradually ceased, and she is now, after taking five bottles of your medicine, apparently as well as ever.

Yours, respectfully,

Mrs. E. ANN SMITH.

Rosadalis Cures all Skin Diseases. SALT RHEUM CURED! REMARKABLE CURE!!

DR. LAWRENCE, Wilson, N. C.:

My Dear Str—For the last ten years, until recently, I suffered with an inveterate cruption of the skin—called by Physicians "Salt Rheum," with which I suffered terribly; the pain and itching was almost intolerable. I tried several of the best physicians in Europe and this country—have visited several celebrated Springs—spent thousands of dollars, and failed to get any better. In December, 1866, being in Charleston, S. C., I was told by a gentleman at the hotel that he had been cured of a had tetter by a medicine called "Rosadalis," I resolved to try it, without any hope though of its doing me any good. I procured a bottle of Messrs. King & Cassidey, and commenced taking it. Finding, to my surprise, that I was improving, I bought four other bottles; but before commencing on the last two, I found I was completely well—the disease having entirely disappeared.

Enclosed find One Hundred Dollars, which please accept as a token of my gratitude. Why do you not make your invaluable Rosadallis widely known?

Your sincere friend,

W. T. SELTZER. DR. LAWRENCE, Wilson, N. C. : W. T. SELTZER.

Major John W. Dunham, one of the editors of the Wilson North Curolinian, says in the issue of the 20th April, 1867: "I believe from personal experience, tast the Rosadalis is the finest tonic ever prepared."
