I hereby certify that, during the summer and fall of 1866 I was severely afflicted with Carbuncles-having had as many as fourteen large Carbuncles, and twelve ordinary Boils. Dear Dr. Lawrence :- My daughter having been cured of a deeply scated disease of the lungs by your Rosadalis, I feel it my duty to make the fact known to you for the benefit of others. after taking five bottles of your medicine, apparently as well as ever. Yours, respectfully,
