She suffered nearly two years with a hard cough, which troubled her day and night; at last the emacinted form, glassy eye, night sweats, together with the cough, told too plainly that it was <i>Con- sumption</i> , beyond question, eating at her vitals. Our Physician's remedues brought no relief. She was advised to try your Rosadalfs, as a tonic- which she didimagine my surprise and gratifi- cation, when I found her appetite returning. Slowly she regained her strength, her cough and night sweats gradually ceased, and she is now, after taking five bottles of your medicine, appa- rently as well as ever. Yours, respectfully, MRS. E.
