IN NORTH CAROLINA,

By JAMES IREDELL.

THE object of this work has been to exhibit the law as it

now stands in NORTH CAROLINA, in relation to the mat-

ters of which it treats. It embraces, therefore, the English

doctrines, so far as they are recognised in our own State, as

well as our acts of Assembly, and the decisions of our own Courts on the subject of WILLS, EXECUTORS and AD-MINISTRATORS. It is thought it may prove useful not

only to members of the legal profession, but also to others who
