Headquarters Department of N. Carolina, ARMY OF THE OHIO. RALEI GH, N. C., May 15, 1865. GENERAL ORDERS, No. 46. The following rules are published for the government

of Freedmen in North-Carolina, until the restoration of civil government in the State:

I. The common laws governing the domestic relations, such as those giving parents authority and control over their children, and guardians control over their wards, are in force. The parent's or guardian's authority and obligations take the place of those of the former mas ter. II. The former masters are constituted the guardians of minors and of the aged and infirm, in the absence of parents or other near relatives capable of supporting

III. Young men and women, under twenty-one years of age, remain under the control of their parents or greard ans until they become of age, thus aiding to support their parents, and younger brothers and sisters

IV. The former masters of freedmen may not turn away the young or the infirm, nor refuse to give them food and shelter; nor may the able bodied men or women go away

from their homes, or live in idleness, and leave their parents, children, or young brothers and sisters to be sup-V. Persons of age, who are free from any of the obligations referred to above, are at liberty to find new homes wherever they can obtain proper employment; but they will not be supported by the government, nor by their tormer master, unless they work.

VI. It will be left to the employer and servant to agree upon the wages to be paid; but freedmen are advised that for the present season they ought to expect only moderate wages, and where their employers cann t pay them thoney, they ought to be contented with a fair share in the crops to be raised. They have gained their personal freedom. By industry and good conduct they may rise to independence and even wealth. VII. All officers, soldiers and citizens are requested to

give publicity to these rules, and to instruct the freed people as to their new rights and obligations. VIII. All officers of the Army, and of the county police companies, are authorized and required to correct any violation of the above rules within their jurisdiction. IX Each District Commander will appoint a superinten-dent of freedmen, (a commissioned officer.) with such number of assistants (officers and non-commissioned officers) as may be necessary, whose duty it will be to take charge of all the freed people in his District who are without homes or proper employment. The superintendents will send back to their homes all who have left them in violation of the above rules, and will endeaver to find homes and suitable employment for all others. They will provide suitable camps or quarters for such as cannot be otherwise provided for, and attend to their discipline,

police, subsistence, &c.

X. The superintendents will bear all complaints of guardians or wards, and report the facts to their District commanders who are authorized to dissolve the existing relations of guardians and ward in any case which may seem to require it, and to direct the superintendent to otherwise provide for the wards, in accordance with the above rules.
