REAL ESTATE AGENCY.

THE UNDERSIGNED HAVE ESTABLISHED IN the City of Raleigh an Agency for the purpose of buying and selling Real Estate in North Carolina. In connection therewith, and as auxiliary thereto, they will publish a double sheet twenty-four column weekly newspaper, wherein will be advertised, free of cost, all lands offered for sale through their agency, and which will be devoted to the dissemination of information concerning the agricultural, mineral, manufacturing, and other resources of

the State By means of competent Agents in every County they will show the present advancement and special capabilities for future development of each.

It will be found, on investigation, that ro State in the Union can present such a combination of advantages as North Carolina. Situated midway between the colder regions of the North and the more tropical climes of the South, its lands stretching from the sea coast to the mountains, yield, bountiful returns of cotton, tobacco, rice, grain, fruits, pasturage, grapes and other products, while in its bosom lie rich mines of gold and iron copper, lead, coal, and other minerals, its rivers afford water power sufficient for the most extensive factories, and in its forests are boundless supplies of naval stores, timber and material for tanning. Under the recent change in the system of labor it becomes the interest of proprietors to pay the product of proprietors. labor it becomes the interest of proprietors to part with a portion of their real estate, and it is the object of this enterprise, through agencies in Boston, New York, Philadelphia, Baltimore, Washington, and other chief cities, to bring these abundant resources of the State to the notice of men of energy and capital, to get together the seller and the buyer, and to aid in starting North Carolina in a career of prosperity heretofore unknown.

The Advertises will be furnished free of charge to all

customers, and to others at one dollar per annum. The first number will be issued by the first of July, or sooner, if the type and necessary material already ordered, can be procured from New York before that time Those desirous to advertise in the first number will please communicate to the undersigned at once. Moderate commissions will be charged where sales are made. BATTLE, HECK & CO., Raleigh. N. C.
