IMPORTANT FACT. We see that persons of strong constitutions, and young, suffer for days with pains of the limbs,

loss of appetite and fever, who suddenly get well after a cholic followed by slimy, bilious stools. The relief produced by these evacuations were the original guide to the idea and practice of purgation, and which, when enforced by Brandreth's Pills, always benefits, usually cures, and often prevents disease, especially Scarlet Fever and diseases of similar character

I. L. Cook, publisher of the "State hanner," Bennington, Vt., says Brandreth's Pills cured him of Dyspepsia, after being afflicted with it over five years. His friends and doctors considered his recovery impossible; but six boxes of Brandreth's Pills restored his health perfectly.

A young lady of Mount Pleasant was sorely troubled with Tape-worm. All advice and medicine failed to help her. She had no rest. Thin, Cubans here are very solicitous to hear from careworn and unhappy, she looked the picture of misery. At last she concluded to try Brandreth's Pills. In one year she took seventy-two boxes. They brought away, according to her computation, over two hundred yards of tapeworm. At length all her bad symptoms left her; she slept and ate naturally, and health became fully restored.

Columbia, S. C. april 27-Stawly HOLLOWAY'S VERMIFUGE CONFECTIONS.

Dr. Holloway, some fifteen years ago, witnessing the distress occasioned sickly children in taking the manasons vermifuges of that day, resolved to analyze them, and from the most effective of these remedies succeeded in separating their active medical properties, pure, tasteless and inodorous. Then, by combining these with sugar, and moulding them into an agreeable confection, formed the present POPULAR and APPROVING

VERMIFUGE known as Holloway's Vermifuge Confections, which have almost entirely superseded the old nauscout Vermifuges, to the delight of the poor little inference. It contains no calomel or other poisonous in them. So highly esteemed is this popular Vermifuge, by the profession, that all intelligent physicians who know of them, prescribe them in preference to other remedies, as not only more pleasant to take, but more effective to

Parents and guardians, having the care of children, should keep them as a family medicine; for they not only eradicate worms—those pests of childhood—but correct any derangement of the digestive organs, so prevalent with children. HIESKELL'S OINTMENT.

This Cintment, after an experience of twenty years has proved a sovereign remedy for all diseases of the Skin; having effected a radical care in every case on which it was used, curing many obstinate cases of fifties or twenty years' standing, that had previously related all remedies prescribed by the best medical talent of the country. Its effect is astonishing; in a few days the soreness and irritation is removed; the skin becomes smooth and healthy, and remains permanently healed, without the use of any other remedy.

Thus, TETTER, SALT-RHEUM, ITCH, SOLDIER'S IVEN, ERYSIPELAS, BLOTCHES, PEDFLES, and every form of disease of the skin is punctually cured, no matter of how long standing. It has cured bad cases of INFLAND EYELIDS, and discharges from the Ear, when nothing else would heal them. PILES, that have resisted all other trestment for many years, have been effectably cured by the use of only one box of this Cintment. BURNS, SCALDS, and OLD SCHES It benis in a very more time.
