the Supreme Course the United States have loss. To return its any remeay with a three determined that Congress has jurisdiction over is an injury; this is to accomminte the injury it. It is to suppose that we is a compact between with a gross insult. It is to suppose that we is an agreed with Mr. Bradbury opposed the Committee are weak enough to imagine duat such a measure to us Mr. Foote withdrew his matricibons and Lation is a compact. covernment. nat rosts here, and it ve effect to every provision of the consti-

rently without contest. A ings may compare with those of our northern United States appa division was not made; the yeas and nays were friends, let me assure them that we are neither Hampshire; Roger Sherman, of 'Connec- transparent that none but fools or madmen ean take it for reality. tieut; Rafas King, of New York; Robert Morris, of Pennsylvania; George Read and Rich. All we ask, Mr. President, upon this sub-and Resset of Delaware; Pierce Butler, of Fouth Carolina, and William Few, of Georgia. Found Carolina, and William Few, of Georgia— certainly Imay be permitted to say a collection of highly respectable names—names of emine-uence before the country. In the Houss of Repre-sentatives the bill was passed upon the yeas and nays, and the vote stood, 49 yeas and 7 nays. Of the some extended to the one class of cases the of the concention who were members of the concention who framed the constitution. Wave: Nicholas Guman of New York, for some the disease may in a particle distance of the impartiality of our laws, and their true and faithful admin istration which are now extended every day to foreign powers with whom we have made extradition treates. It is, sir, that we shall have extended to the one class of cases the same summary, prompt, and effectual remedy which the constitution, which the constitution is been by the some summary, prompt, and effectual remedy weret Nicholas Gdman, of New Hampshire; Jonathan Dayton, of New Jersey; Thomas Firzsiammons, of Ponnsylvania; Hugh Willism-son, of North Carolina; and Abraham Bald-escape shall be cont back again in precisely win, of Georgia. And it is remarkable that the same summary manner as these who are every individual who had been a member of charged with offences and escape; and that the convention that framed the constitution, and was a member of the House of Representatives at that time, who voted at all, voted for the bill, and not a single one of them is to be found among the small number of seven who voted against the bill. Those seven were:-Measca Livermore, of New Hampshire; Thatcher, of I feel that it is right that eur northern friends Massachusatus; Sturges, of Connecticut; Niles of Vermont; Treadwell or New York; Mercer, of Maryland; and Parker of Virginia. of Maryland; and Parker of Virginia.

Thus, sir, we have this act passed at this fidence, as to making us und arly period, the passage of which was partid in by this considerable number of gencipated in by this considerance bers of the cona who had been members of the coll-ne every one concurring in its passage Senate without a division, and with This is fundamental; this is a plane right; in the Senate without a division, and with in the Senate without a division, and with a very small minority of opponents in the House here is an evident constitutional duty, of Representatives. Now, if anything can is the meaning of this constitutional prothe face of the constitution, this not of surren-dering fugitives from labor is associated with the delivering up of fugilizes from justice, provided for in the same general terms—the difference in the phraseology to be entirely (To be concluded) accounted for from the minute difference in the subject-matter; acted upon as such in both houses of Congress, and that act never repealed, nor complained of, except as, from

and appeals. It is a an encouragement to ze-and prograstingtion of its face an on of expe rever would do no rd.) that this was a communicated expense and procreatination of on to be executed on-Mr. Hale opposed the Co the States. Now, whether it was a it not a plain "keeping of the word of promise act to be executed by the States or not, to the car and breaking it to the hope?" Is it anything less or more upon its face than the deration at this day. In the first place, I do not agree in the opin-

the daty from being performed! Is it not worse int gentlemen, that the Supreme Court of inted States has committed an error in ng the jurisdiction was in Congress.
