in Europe soon declared in favor of the old, or, as it was called for the sake of distinction, the "Wilhard" Grand Lodge.

Action was delayed by the Grand Lodge of England, however, until very recently, and her decision has been looked for by the Freemasons of this country with the greatest interest. We learn from the American Keystone, the organ of the Masonic fraternity in New York, that the special committee appointed by the Earl of Zetland, the English grand master, the Logislation of Commerce, gives a very intersection, as it was called for the sake of distinction.
